# DEDICATION.

TO Mr. Denny, who, as Superintendent of the Anderson School System, has guided its policy and supported its activities, we, the Class of Nineteen Hundred Twenty-Six, respectfully dedicate this record of its progress.

# FOREWORD.

ANOTHER school year has passed and the Class of Nineteen Hundred Twenty-Six has added another chapter to the annals of A. H. S.

In these pages the staff has endeavored to record faithfully the events, activities and accomplishments which have composed that history; to weave into them a little of that "elusive something" which expresses our aspirations and ideals. In short, to give as accurately as possible a picture of real life in Anderson Senior High.

How well we have succeeded in our task the book itself will be the proof. Yet, if the coming years will mellow and make more dear to all this bit of school history, then our best hopes will have been realized.

*Acknowledgment*

THE Senior Class of Nineteen Hundred Twenty-Six herewith expresses its appreciation and gratitude to its sponsors, Miss Niemann and Mr. Miller, for their sincere efforts in working with us and directing us during the past four years.

*THE FACULTY*

One of the many evidences of the progress and development of Anderson Senior High School is the constant growth of its faculty, both in number and in professional preparation. The faculty now consists of eight supervisors and forty-nine regular High School teachers, almost all of whom hold B. A., M. A. and Ph. D. degrees.

One of the most familiar and beloved figures in our school is Mr. Black, better known as "Daddy Black," who is now completing his fiftieth year of excellent service as teacher, and he is the present head of the History Department. He has been indeed a true teacher.

We are proud to have Jim as the leader of our class, for he stands for  
everything that is best in our class.

#### VIRGINIA HOPKINS

Student Council 3; Dramatic Club 1, 2, 3, 4; Vice-Pres. of Class 3, 4; French Club 2.

"Jinny" is beloved by all. Her friendliness and good-fellowship have  
won for her this high esteem.

#### BARBARA MILLER

Girl Reserves 1, 2, 3, 4, Sec.-Treas. 2, Vice-President 3, President 4; Treasurer of Class 2,  
Secretary 3, 4; Student Council 2, 4, President 4; Latin Club 2, 3, 4, Dra-  
matic Club 3, 4; French Club 4; X-Ray Staff 4; Honorary Society 4.

Barbara possesses a distinct individuality. Very few of us could have maintained her rank  
of scholarship and taken the important part in all the varied activities she has.

#### LEE IMEL

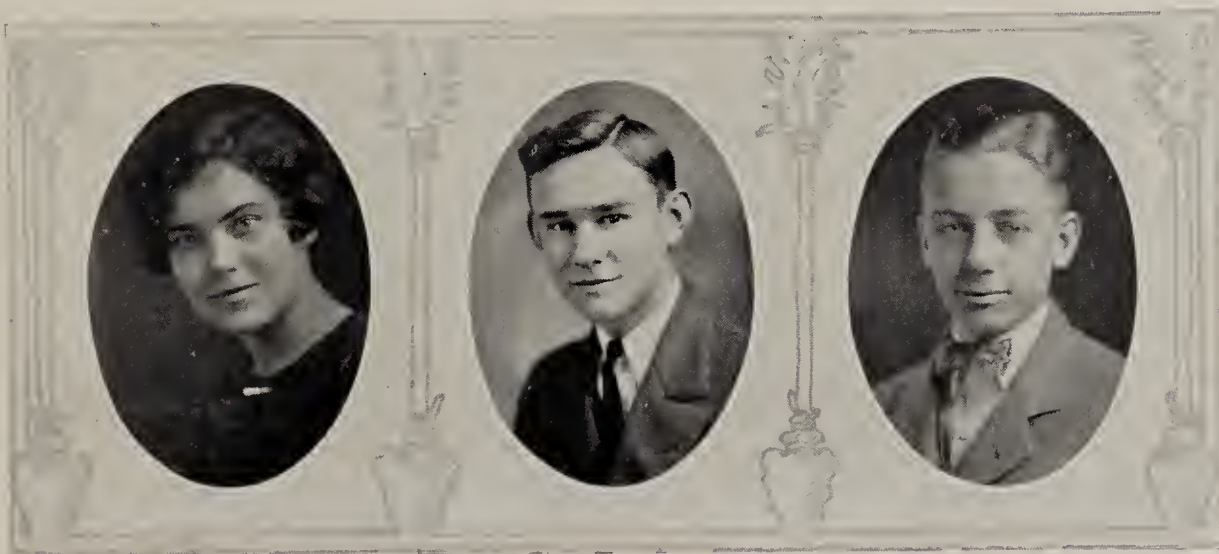

Treasurer of Class 4; Hi-Y 3, 4; Basketball Usher 4.

Exceptional business ability is the outstanding characteristic of our treasurer. Lee has  
done so much for our class financially, especially during the noon sales.

#### REX DIXON

Hi-Y 3, 4; Band 1, 2, 3; Chorus 2; Glee Club 3, 4; Annual Staff 4; X-Ray  
Staff 4; Student Council 4; Dramatic Club 2, 3, 4; X-Ray  
Salesman 3, 4; "Bells of Beaujolais" 4; Sergeant at Arms  
of Class 4; Annual Salesman 4.

It takes a versatile student to achieve class success. One glance at Rex's activities shows  
that he possesses that quality.

#### RUTH McDONALD

Anderson is generally noted for its beautiful girls and Ruth is undoubtedly one of the number. Unfortunately for our boys, however, she seems to have numerous admirers elsewhere. She is not too busy, though, to help out in an emergency as she so often has played in our jazz orchestra at our class entertainments.

#### NOLAND WRIGHT

Junior Class President 3; President English Club 1; President of Advisory 3; President of Glee Club 3, 4; Secretary-Treasurer Student Council 2, 3; Senior Class Minstrel 2; "Fire Prince" 2; "Bells of Beaujolais" 4. One of the most popular and prominent Seniors is Noland. He successfully headed our class during the Junior year and has responded willingly to all the demands made upon him this year. Both the operetta and glee Club owe much of their success to his efforts.

#### ISABELLE MOORE

Glee Club 3.

It is a delight to look at Isabelle who is the Spanish beauty of our class. Her flashing smile, alluring dimple and sunny disposition win for her numerous admirers, especially among the members of the opposite sex.

#### DONALD COTTON

Hi-Y 3, 4; Latin Club 4.

Everyone in the class looks up to Donald to visualize the heights of his ambitions. In return, Don looks down with the most placid good nature.

#### HENRIETTA GAUS

Home Economics Club 4.

To know definitely what one is going to do must be a great satisfaction. Henrietta, like Doris Marie, seems to have found the solution.

#### HARRY PAUL JONES

Hi-Y 2, 3; Glee Club 2, 3; Operetta 4; Movie Operator 3, 4.

No one works more around school than Harry Paul. We can't imagine a play being given or an auditorium call without his assistance. His love for music caused him to be prominent in all events in the music department.

KATHRYN GRAY

Senate 1; Girl Reserves 1; Dramatic Club 2, 4; X-Ray Staff 2, 4; X-Ray Board 4; Economics Club 4; French Club 3; Class Play 4.

Kate says if nerve was water she'd be the whole darn ocean. She is among the best known and most active workers in the class without whom it would have been difficult to get along.

LUCILE McDANIEL

Economics Club 4; French Club 3; Dramatic Club 2, 4.

Lucille says she is just a "ditto" to Kate for where you see one you are sure to see the other.

LERA McCLINTOCK

Chorus 1, 2, 3, 4; Home Economics Club 4, Treasurer; Girl Reserves 1, 2, 3; Commercial Club 1; Spanish Club 1.

Lera is one of our unassuming girls whose fine spirit helped us accomplish our school projects.

MARY KIPHART

Mary radiates good health and good nature.

LEONE YATES

Every once in a while Leone is seen in the halls seemingly happy and contented.

MABEL LAMBETH

This is our opportunity to show our appreciation of Mabel; of her noble character, her unassuming manner and pleasing personality.

MARY EMMA KNIGHT

Snap Editor 4; X-Ray Reporter 4; Science Club 2; Operetta 2, 3, 4; Dramatic Club 3; Economics Club 4; President of Advisory 4; President of Glee Club 3; Asst. Song Leader 1; Glee Club 2, 3, 4; Chorus 2, 3.  
An operetta couldn't have been a success without Mary Emma's vivaciousness and blonde beauty. She took an active part in all class undertakings as well.

RUSSELL MURDOCK

Band 2, 3; Hi-Y 2, 3, 4; Science Club 3, 4; Dramatic Club 4; Student Council 4; Junior Reception 3; Usher 3, 4; French Club 3; X-Ray Salesman 3; X-Ray Reporter 3  
Anderson has been unique in its production of magicians. Russell's fame as a master of the mystic art has spread far and wide.

HELEN GROSSNICKLE

Dramatic Club 3, 4; Glee Club 3, 4; Girl Reserves 2; "Bells of Beaujolais" 4; Student Council 3.  
Whenever anyone says, "the girl with the wonderful smile," we know he means Helen.

ARTHUR GUSTIN

"Many a girl would be only too happy to possess that marcel which seems to find so little favor with Arthur himself. He is withal a quiet, pleasant fellow who goes quietly about his business.

THELMA JORDAN

Vice President of Class 1; Girl Reserves 2, 3, 4; Honorary Society 3, 4; Home Economics Club 4; French Club 2, 4; "Say It With Flowers" 4; Student Council 4; President of Advisory 4; Annual Salesman 4; Red X-Ray Staff  
Thelma has always been busy making "A's," but never too busy to do any work we asked her to in the interest of the class and we appreciate it.

ROY HACKLEMAN

Snapping eyes, sleek black hair and love of a good time make Roy good company. Who was it said "Whither thou goest, I will go."?

JOE ELLISON

Basketball 2, 3, 4; Track 3, 4.

We doubt if there is a more general favorite both in school and outside than Joe whose prowess as a basketball player has brought him much fame and the Morches Cup. His sense of humor and genial disposition have made him well liked by both boys and girls.

PAULINE REEVES

If you find "The Indian" artistic, much of the credit is due to Pauline who has worked most faithfully to make it so. We, ourselves, find Pauline a lovely person to gaze upon, and suggest that she be given honorable mention as an example of feminine pulchritude.

KENNETH SNYDER

Basketball 2, 3, 4; Track 3, 4; Art Editor 1, 2, 3, 4; Student Council 4; Booster's Club 4; President of Advisory 2; Cartoonist for the X-Ray.

We regret that the present picture of "Kenny" does not do him justice. "Kenny" has recently acquired a mustache. His mustache has not, however, detracted from his personality nor destroyed his ability as a cartoonist, basketball player and a general good friend.

MARYBELLE MOORE

Girl Reserves 2, 4; Home Economics Club 4; Chorus 2, 3.

Marybelle is quiet and reserved of manner; a conscientious and reliable student.

ARTHUR CHENOWITH

The band will miss Arthur very much next year for it will be difficult to find another cornetist of his ability.

CELIA HARTMAN

Celia is interested in art and spends all her available time making attractive objects in the Art Department.

BERNICE WIMMER

Tennis Club 1; G. R. 2, 3, 4; G. R. Cabinet 4; Honorary Society 3, 4; Dramatic Club 4; X-Ray Staff 4; Annual Staff 4; Treasurer Student Council 4.

Little we know what she thinks about or dreams, for she is very quiet,  
but she says something when she does speak. She has also  
shown marked talent along artistic lines.

HERMAN E. LANDES

Track 2, 3, 4; Advisory Basketball 4; Hi-Y 4; Dramatic Club 4; Honorary Society 3, 4; Senate 2; X-Ray Staff 4; Junior Reception 3; Latin Club 3; Glee Club 4; Chorus 4; Student Council 3; Annual Salesman 4.

Who would have guessed that quiet Herman would have made such an ardent lover!  
We're glad he can play and work earnestly for the class as well as make A's.

LAUREL HANCOCK

We always have thought big brown eyes and blonde hair a striking combination. Laurel helped us out in the "gym" by selling during basketball games.

NORMAN COOK

Senate 1, 2, 4; Science Club 2, 3, 4, President 4; Spanish Club 2; Hi-Y 2, 3, 4. Science influences Norman practically as well as theoretically. He has planned to engage in horticulture this summer and we are certain he will make a success of it.

EMMA WETZEL

Chorus 2; Girl Reserves 2, 3, 4; Home Economics Club 3, 4; "Say It With Flowers" 4; Honorary Society 3, 4.

Did anyone ever see Emma in an angry mood? It isn't possible to believe it. She has worked hard in High School and is an honor student.

LAWRENCE WERTZ

Hi-Y 3, 4; Science Club 4.

We always thought Lawrence would be girl-shy but his actions belie our opinions.

HELEN JUSTICE

Girl Reserves 4.

We are glad we knew Helen at least one year. The other three were spent in Markleville High School.

VELMA MAY

Girl Reserves 3, 4.

We have had Velma with us only two years and most of that time has been spent in the Commercial Department where she has won her place as one of the best students.

GLADYS PRESSER

Girl Reserves 1, 2; Science Club 3, 4; Advisory President 4; Girls' Basketball team 3, 4. We'd like to know the person who has ever seen Gladys when she wasn't full of pep and energy. She was one of our best saleswomen in the "gym" and on the annual. To those who often frequent the office, she is also a familiar person.

MARY ELIZABETH FISH TAYLOR

Mary Elizabeth gave us the big surprise of our high school career. We never dreamed that this demure dark-eyed maiden would suddenly leave us and become Mrs. Taylor. We are glad she came back and graduated with us.

MARGUERITE DUNN

Last year the Dunn's, three in number, came to A. H. S. from Arcadia. Margaret (who seems to be the manager of the trio) and George are members of this class. They always attend class meetings and are interested in its activities.

LUCILLE RIDER

Science Club 4.

Kokomo sent Lucille to us this year. At first she could not reconcile herself to life at A. H. S. Under the tutelage of Gladys, however, she has become imbued with the "Indian spirit" and calls herself one of us.

**MARGARET BARNES**

Margaret is one more testimonial to the fact that Anderson produces good looking girls. She is always very busy having a good time.

**HAROLD JONES**

Basketball 3, 4; Glee Club 2, 4; Operetta 2; Advisory President 3, 4, Secretary 2; Booster's Club 4, Vice President 4; Advisory Basketball 1, 2; Chorus 1, 2, 4; Athletic Board 1; X-Ray Salesman 1, 2.  
Being handsome has not spoiled Harold who is just as fine as he looks and is deserving of his great popularity.

**EUNICE FROST**

Chorus 2; Girl Reserves 3, 4; Girls Basketball Team 3; Commercial Club 4; Secretary and Treasurer 4; Annual Salesman 4.  
If you have not noticed Eunice's eyes, just take a look and you will wish to look again. She especially excels in athletic endeavors.

**MARTHA JANE CECIL**

Girl Reserves 2; Home Economics Club 4.  
They say "you can't keep a good fellow down." So Martha Jane has not let anything bar her from graduating with our class. She is well liked by all her classmates.

**ALDINE HIGGINS**

It is one of our most popular problems to understand how A. H. S. is going to get along without Aldine next year, for he takes such an active part in the band and supervises things generally around school.

**JEWEL FITCH**

Commercial Club 3, 4, Vice President 4; Girl Reserves 3, 4; Student Council 3, 4; Advisory Sec.-Treas. 3; Home Economics Club 3, 4, Vice President 4; "Say It With Flowers" 4; Spanish Club 1; Chorus 1, 2.  
Jewel has a love for those old stories which tell about the wondrous deeds of some king. Has someone else found her eyes bewitching?

#### CHARLOTTE DUFFEY

Girl Reserves 1, 2, 3, 4, Sec. 3, Treas. 4; Girl Reserve Play 2; Tennis Club 1; Dramatic Club 1, 2, 3; Latin Club 3; Junior-Senior Reception 3; X-Ray Staff 4; Annual Staff 4; Honorary Society 3, 4.

Everyone knows that "Shorty" is a good sport and a good pal. She has also taken part in many school activities too.

#### FREADUS EVANS

Commercial Club 2.

Work has always come before play with Freadus. Therefore he is seen going quietly about his work and accomplishing what he had planned to do.

#### MARTHA STEVENS

Maybe one reason why the sisters Martha and "Joe" get along so well is Martha's pleasant disposition and pleasing personality.

#### CHARLES FUNKHOUSER

Although Charles is not given much to conversation, he can always be relied upon to say or do something worth while whether in Student Council, on Annual Staff or any bit of work.

#### LOUNE CAULEY

Loune is one of those famous "Titian" blondes. Her hair is her "crowning glory."

#### BRYCE THORNBURG

Size does not always determine the worth of an individual, for even if he isn't very big Bryce manages to make himself seen and heard. He would undoubtedly be a winner in any gum chewing contest.

MARY LOUISE GREYER

Dramatic Club 2, 3, 4; Play 2, 3; Chorus 2, 3; Glee Club 2; "Fire Prince" 2; French Club 2; X-Ray Staff 4; Annual Staff 4; Class Play 4; Junior-Senior Reception 3.  
Mary Louise's pep and enthusiasm makes her an indispensable member of our class whether in social, literary or dramatic activities.

EDMUND ALDRIDGE

Football 2, 3, 4; Track 2, 3, 4; Hi-Y 3; Usher 3, 4; Basketball 3, 4; Boosters' Club 4; Junior-Senior Reception 3; Spanish Club 1.  
Eddie is one of the members of "the gang" and does his share to make things lively.

GLADYS MOORE

Gladys is one of the fair sex who has many admirers.  
Her smile is one of her particular charms.

BLANCH THATCHER

Commercial Club 4; Chorus 1; Spanish Club 4.  
Blanche is quiet and reserved (we don't know for whom). If she can be prevailed upon to talk at all, it is to say she doesn't care especially for anything. 'Tis sad indeed when Seniors have found nothing in life to interest them.

HAROLD CAMPBELL

Basketball 3, 4; Advisory Basketball 1, 2; Student Council 3.  
"Little but mighty." This describes Harold who fought so well and valiantly with the Indians during the basketball season. He is also one of our best track men and interested in class undertakings too.

LOIS STRIKER

Science Club 1; Student Council 4.  
Lois is a "jolly good pal." She is fond of singing and generally having a good time.

JOSEPHINE STEVENS  
Commercial Club 4.

"Jo" has a host of friends (one especially, outside of school). Her name may not be Stevens very much longer.

ERNEST HALE

"Ernie" is almost as much a "sheik" as his brother "Ike" was. He seems to always be having a good time.

LAVONA A. MURRER

Dramatic Club 2; Commercial Club 4; Home Economics Club 4; Pres. of Advisory 4. Lavona seems to be the main interest in the life of a young man called Charles. She is a lot of fun and everyone likes her.

RUSSELL HUDSON

Pres. of Class 1, 2; Hi-Y 1, 2, 3, 4, President 3, Vice-President 2; Glee Club 4; Operetta 4; Football 3; Student Council 2, 3, President 3; Assistant Manager of X-Ray 3, Business Manager 4; Editor of Annual 4. A consensus of opinion is that Russell is outstanding for his ability to take the initiative. He has been the main-stay of all our class efforts during all four years.

JUANITA JONES

Girl Reserves 2, 3, 4; Glee Club 1, 2, 3, 4, President 1; Dramatic Club 3, 4; Latin Club 2, 3, 4, President 4; Senate 1; Honorary Society 3, 4, Sec.-Treas. 4; "Fire Prince" 2; "Bells of Beaujolais" 4; Annual Staff 4; X-Ray Staff 4. So often those who obtain so high a scholastic ranking find little time for other tasks. But this is not true of Juanita who could always be relied upon to help carry on any job, big or little, and enjoy her share of social popularity.

WILLIAM V. SINES

Yell Leader 3, 4; Student Manager Football Team 3; Usher 3; Hi-Y 3; Glee Club 3, 4; Operetta 4; Dramatic Club 3, 4; Chorus 1, 2; President Boosters' Club 4; Junior Reception 3; Annual Staff 4; Vice-Pres. Advisory 3, 4. Bill is distinctly in a class by himself. He is the popular wit and comedian of the school. He is called upon constantly to put over our undertakings.

**RUTH BASSETT**

Student Council 1, 3; Girl Reserves 3, 4; Honorary Society 4.  
Ruth has supported A. H. S. with her interest in things which were for its betterment, in addition to being one of our honor students.

**LEON HARRIS**

Senate 1, 2, 3, 4; President 2, 4; Science Club 2; Business Manager of Manual 2; Chorus 2.  
Leon is one of our number who has chosen early a definite goal toward which he has worked with every effort. From his evident interest in the church we are sure he will become a devoted Episcopalian minister.

**SCHURL MARSHALL**

Dramatic Club 1, 2; Girl Reserves 4; Boosters' Club 2; Latin Club 2, 3, 4; Senate 1, 2, 3, Assistant Secretary 3, President 4.  
Everybody knows Schurl. One can depend upon hearing from her in Senate, classroom or wherever it may be.

**ARTHUR KEESLING**

When it comes to selling Annuals, Arthur was in the front rank of salesmen. He entered into it with a vim and enthusiasm that made it a pleasure to work with him.

**HELEN HILBERT**

Helen seldom has very much to say, but cheerfully acquiesces in what the other girls decide to do. She doesn't have enough energy not to be good natured.

**HERBERT H. SHAUL**

Hi-Y 3, 4; Junior-Senior Reception 3; Advisory Basketball 3, 4; Chorus 3, 4.  
Life would have been very pleasant for Herbert if it had not been for History. But he determined that even history shouldn't ruin his Senior year, so he just grinned again, worked a little harder, and succeeded in both.

#### JEWEL BRANDON

Chorus 1, 2, 3; Glee Club 4; Girl Reserves 1, 2, 3, 4; Latin Club 2, 3.  
Birmingham took Jewel away from us for a year but she decided to come back to A. H. S. to graduate. She is one of the few blondes of our class and we are glad to have her striking personality back again.

#### PAUL MASSEY

"Pill" came to Anderson from Elwood and he has become a familiar figure around school. A square jaw is supposed to show determination, and Paul displayed this attribute during his football career.

#### ANNE DANIELS

We wonder why Anne is late every morning. School wouldn't be school if Anne didn't come breezing in, in a flurry, exactly three minutes after the last bell rang.

#### PAUL GRAVES

Football 4; Track 3, 4; Booster's Club 4; Advisory Basketball 3, 4, Captain 4; Student Council 3, 4; Orchestra 3; Junior Reception 3.  
"Gravy's" grin and good sportsmanship gained for him a niche all his own with the fellows. He was active in athletics, particularly football.

#### ESTHER BARNETT

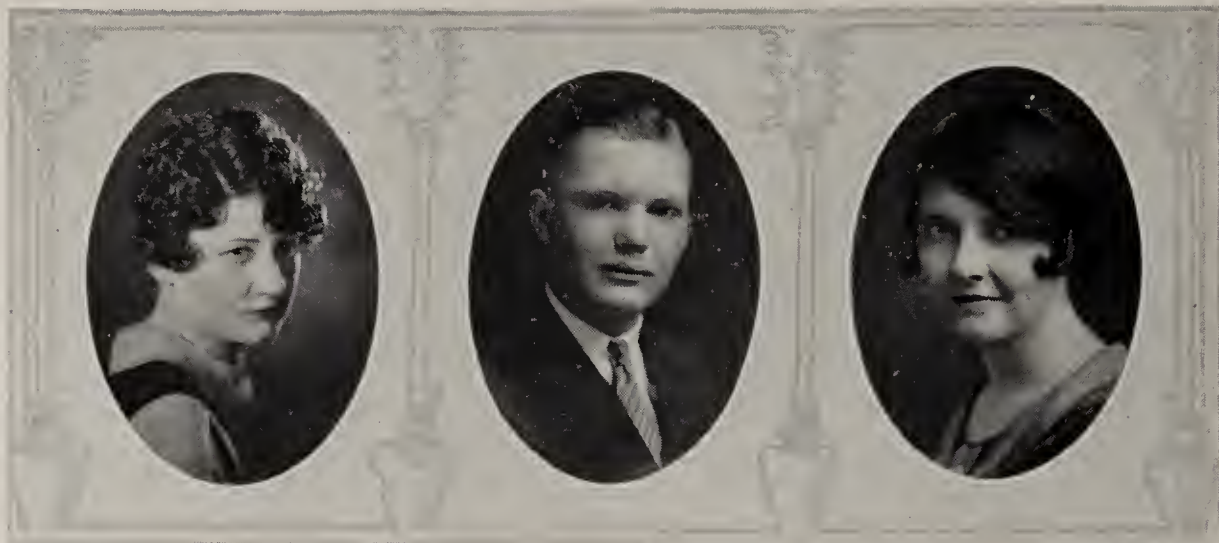

Commercial Club 2, 3; Vice President of Advisory 4; Glee Club 3; Student Council 3.  
A fine record in the Commercial Department won for Esther a responsible position in the office, where she is a familiar figure to those blessed with conferences.

#### HAROLD NESSLER

Would that Harold attacked everything with the same energy and skill which he displayed in the basketball games as a member of Shield's Champ. team.

WANDA HAHN

Girl Reserves 1, 2, 3, 4; Science Club 2; Spanish Club 1, 2.  
Wanda is the athletic type of a girl. That means she is a good sport.

JAMES WERTZ

X-Ray Staff 4; Commercial Club 4; Track 3, 4.  
No wonder Jim is good in track! Perhaps his three mile walk puts him in condition and gives him that complexion which is the envy of all the girls. We want you to know that he is a "regular fellow" and a good student.

HELEN CLARK

Girl Reserves 1; Home Economics Club 4.  
This year Helen has taken most of her work in the Home Economics Department. Can anyone tell us why?

FRANK LAWLER

Latin Club 3; Commercial Club 4; Boosters' Club 4; Honorary Society 3, 4; Hi-Y 4; Annual Salesman 4; Annual Staff 4; Editor-in-Chief of X-Ray 4; Usher 4; Junior Reception 3; Track 3, 4; Football 3, 4.  
This is Frank. "Nuf sed." It is not necessary to introduce further such an outstanding student, athlete, and all round fine chap.

MARJORIE RICHARDSON

Girl Reserves 1, 2, 3, 4, Cabinet 3, Vice-President 4; Glee Club 3, 4, President 4; Chorus 3; Dramatic Club 4, Secretary 4; Latin Club 2, 3, 4, Treasurer 2, President 3; Tennis Club 1; Jr. Rec. 3; "Daddy Long Legs" 2; "Summer Is A Comin' In" 3; "Bells of Beaujolais" 4.  
Marjorie's personality has won her a host of friends. She has a very innocent air but you never can tell!

LEE B. IMEL

Hi-Y 3, 4, President 4; Treasurer of Class 4; Usher 4.  
Lee has found a place in the heart of many of his fellow students. He also has a particular interest in one member of the fairer sex

#### EVALINE MARTIN

Honorary Society 3, 4; Commercial Club 4, President 4; Student Council 4; Girl Reserves 4; Home Economics Club 4; Treasurer of Advisory 4.

Evaline is one of the most outstanding students in the Commercial Department and is prominent in its social activities.

#### WILMA JORDAN

Spanish Club 1, 2, 3; Girl Reserves 1; Orchestra 3, 4; Home Economics Club 4. Because of her musical ability Wilma is the accompanist for the orchestra and she is also a good student and wins many friends with her cheery smile.

#### MARGARET JESSUP

Glee Club 4.

Margaret came to us at the beginning of the year from Detroit. Even though she has not been here long she soon became imbued with the spirit of old A. H. S. and supported enthusiastically all we attempted to do.

#### DOROTHY PABST

Girl Reserves 2, 3, 4; Secretary of Advisory 4; Home Economics 4; French Club 2, 4; Annual Salesman 4; "Say It With Flowers" 4; Green X-Ray Staff 4. We were fortunate in having "Dot" in our class—a real live wire and one who cheerfully helped make possible the height of success which we have attained.

#### MARY FRANCES LEE

Chorus 1, 2; Spanish Club 4; Commercial Club 4.

They call her "Giggles" and whoever saw Mary when she was not in a jovial mood? She will prove a cheering nurse if she follows the profession of her choice.

#### HARRIET WALTON

This last semester Harriet deserted us for Muncie Normal, where we understand she is getting along well. Harriet has always been noted for her ability in Domestic Arts, more particularly cooking.

RACHEL BOLEN  
Girl's Glee Club 3, 4.

Rachel is indeed one of the "fair sex." Will anyone ever forget what a beautiful village maiden she was in the operetta with her blonde curls and blue eyes. She is also very athletic as her basketball ability proves.

PAUL LYTLE  
Football 3, 4; Hi-Y 3, 4; Glee Club 4; Science Club 4; Manager of Advisory Team. "Pete" was one of the vital parts of the football squad for two years. He is one of our Seniors who is inclined at times to get into mischief, which along with his good nature only add to his personality.

ELIZABETH BRONNENBERG  
Dramatic Club 2; Home Economics Club 4; Chorus 1, 2.  
The "Bronnenbergs" are very numerous in our county, maybe that is one of the reasons Betty has made up her mind as to her future name. At least that is the conclusion one is apt to draw from the frequency of Kenneth's noon visits.

FRANCIS OWENS  
Track 2, 4; Science-Math. Club 4; President 4; Hi-Y 2, 3, 4, Secretary 4; Chorus 4; Glee Club 4; "Bells of Beaujolais" 4.  
Francis was a very good "Bender" in the operetta. No one thought Francis was such a Beau Brummel until he was seen in his borrowed sailor's costume.

WYNONA MC VAY  
Glee Club 2, 3, 4; French Club 2; Science Club 2; Senate 2, 3, 4; X-Ray Staff 3.  
Wynona is very fond of roses; especially Buds. It is reported that she takes assiduous care of her jewelry in Chemistry Class.

CHAUNCEY LENNEN  
Hi-Y 3, 4; Football 4; Annual Salesman 4; Glee Club 4.  
Not many of us would have worked as Chauncey has for the realization of our ambitions

MARGUERITE TOOLE

Tennis Club 1; Senate 1, 2; French Club 4, President 4; Girl Reserves 2, 3, 4;  
Dramatic Club 4; Chorus 3; X-Ray Staff 4; Junior

#### WILLIS BROWN

Basketball 3, 4; Track 2; Advisory Basketball 1, 2; Hi-Y 3, 4; Spanish Club 1; Student Council 3.

We are not surprised to see Willis looking so engrossed, for is it not a great undertaking for any Senior to maintain a position on the first squad, make his grades, and be definitely engaged to one of the prettiest girls in school all at the same time!

LOIS HITE

Girl Reserves 1; Chorus 1, 2, 3; Glee Club 1, 2, 3; "Fire Prince."

FAIRY JUNE MEEKER

MARY McGRANAHAN

Girl Reserves 1, 2, 3, 4; Home Economics Club 4; Student Council 3.  
Mary is the pretty blonde who works in Mr. Weidler's office. Her interests are not confined within its four walls, though, by any means. Who is Rupert? Is he the one we see Mary waiting for every noon at the side entrance?

To a chance acquaintance, Bob would seem like a quiet little boy, but after you know him, you will agree that he and Bili Sincs make a good pair.

**THERESA GOEHRING**

Commercial Club 4.

Theresa is one of our few girls who still believes that "a woman's hair is her crowning glory." We probably shouldn't bob ours either if we had such curls.

**EVERETT BRICKER**

"Actions speak louder than words," and Everett's actions in the Art Department speak louder for him than his few words, as he is rarely seen outside the precincts of the Art room.

**ESTHER HINES**

Commercial Club 4.

We are confident that in the future we shall hear that Esther has fulfilled the abundant promise which she evidenced in her high school days.

Marguerite is seldom seen without Martha Jane, and she is always pleasant and good to have around.

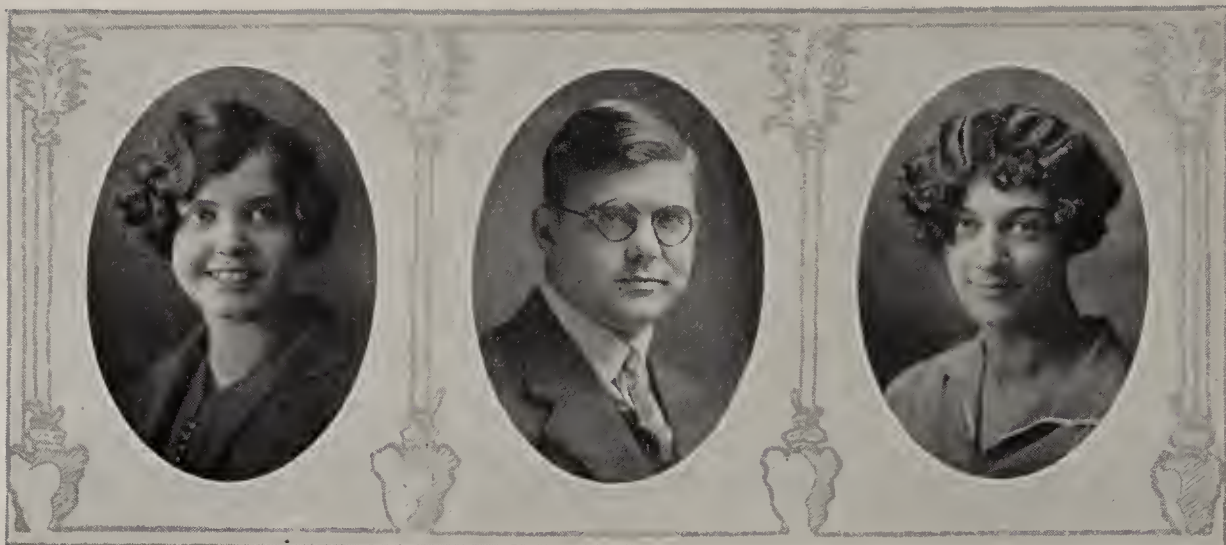

#### GEORGE E. DUNN

Senate 1, 2; Science Club 2; Glee Club 1, 2; Boosters' Club 2; Advisory Basketball 3; X-Ray Salesman 3; Track 2.

Amelia is in a class all to herself when it comes to humor, studiousness, music, and in being a true-blue friend.

SHARON REIGHARD

The "gang" wouldn't be complete without Sharon whose good nature has often made him the victim of its pranks. His hearty laugh is constantly heard resounding through the halls after school hours.

LUCILLE DUDLEIGH

Chorus 1, 2, 3; Glee Club 4; Operetta 4; Student Council 4; Girl Reserves 2.

Many rumors have been floating around about Lucille, but we haven't seen Guy lately and she only laughs about her supposed attachment. In the meantime, Lucille is "digging away" at 4A History trying to earn an A.

WALTER COOK

It is sometimes difficult to tell just what these quiet people can do, yet when we asked Walter to sell Annuals, and collect class dues, he did so with alacrity and success. We need just such people, Walter.

#### MARGARET MITCHELL

Girl Reserves 1, 2, 3, 4; Home Economics Club 3, 4; French Club 4; Science Club 2.  
Margaret is non-committal about her future and she says she has no hobby, but if we look to her left we will find all the answer we need.

#### MARTHA MONEYHUN

Home Economics Club 3; Girl Reserves 4.  
Martha is known for her quietness and, as is sometimes true, for that reason she may be depended upon.

#### HAZEL CHAMBERS

Home Economics Club 4; Girl Reserves 3.  
If a cheery countenance and lots of pep are requirements for a nurse, then Hazel should be a success. These characteristics should help her either as a nurse or as a Physical Director.

#### RALPH O'CONNOR

Seldom does Ralph talk and he seems to have no interest in girls whatever. He also is taking the Remy course.

#### DOROTHY PEYTON

Dorothy has only been in Anderson a short time. She came from Kirksville, Mo. To the few that have become acquainted with her, it has been a pleasure.

#### ELMER ANTONIDUS

Anderson High must have a peculiar attraction all its own for most of our students come back to us. We are glad Lawrence made the same decision.

ORPHA NUZUM

Orpha has been an active member in the Elwood High School until this last semester. After being away from A. H. S. for three years she decided to come back to graduate. She is an excellent student and all who know her are pleased that she returned.

## *Class History*

### Freshman

We were mere papooses when we entered high school, but we fared forth with the determination to see and conquer. Mr. H. Miller and Miss Lederer were chosen to lead us on our adventure, and Russel Hudson was elected president of our class. Green and white were decided upon as our class colors and we decided to dignify the colors rather than typify them.

We distinguished ourselves by defeating all the other classes in a track and field meet, thereby winning the spirit cup. By this act we gained the attention of the whole school, who considered us as very precious children.

### Sophomore

Our Sophomore year was marked by no spectacular event; there was, rather, a steady development of class spirit and organization. We felt the advantage of no longer being Freshmen, and gleefully shouted "Freshie!" at the unfortunate newcomers. Since Miss Lederer had resigned, we chose Miss Tykle in her place. Russel Hudson was again elected president. During our second year in High School we loyally supported all school enterprises and waited patiently until we should be upperclassmen.

### Junior

We continued to feel and began to be important when we attained the dignity of Juniors. We rivaled the Seniors in enthusiasm and class spirit. Sweaters of Kelly green with white numerals outshone the Senior black and white ones. After much discussion, rings and pins were ordered. The class of '26 was the first class to get its jewelry during the Junior year. Noland Wright was elected president, and Miss Niemann sponsor of the class.

Juniors were in charge of the check room in the gym during the basketball season and tournaments. Under the auspices of our class the Coffey-Miller players presented "The Rivals" and "The Imaginary invalid." A skating party was given in the spring of the year. We kept the spirit trophy by winning the second track and field meet.

The Junior-Senior Reception surpassed all our expectations. An entertaining vadeville show was given in the Auditorium and a two-course luncheon was served in the new gymnasium.

### Senior

In a very exciting election James Wright was elected president of our Senior class. Throughout the year class meetings were held in the auditorium each Monday morning which made it possible for every Senior to attend and help plan class activities. Hollowe'en was celebrated with a party held in the old gym. On Nov. 11th, the class brought the "Swiss Bell Ringers" to Anderson. Candy and eskimo pies were sold during the basketball season and more than \$300.00 were given to the gymnasium fund. February and March were spent in working on "The Show-Off" which was presented on April 8th and 9th.

Plans were made for a good Senior Week program. Reverend Powell was elected Baccalaureate speaker, and Dr. Glen Frank was chosen to deliver the Commencement Address. A breakfast party, picnic, theatre party at the Riviera and Class Day were features of Senior Week. Our honorable inferiors, the Juniors, entertained us with a delightful reception.

## “The Show-Off”

### CAST OF CHARACTERS

JOE .....	<i>Robert Lowe</i>	CLARA .....	<i>Mary Louise Greyer</i>
AUBREY PIPER .....	<i>William Sines</i>	MRS. FISHER .....	<i>Katherine Gray</i>
MR. GILL .....	<i>Don Skeoch</i>	AMY .....	<i>Kathryn Rauch</i>
MR. ROGER. ....	<i>James Robinson</i>	FRANK HYLAND .....	<i>Gerald Elliott</i>
MR. FISHER .....		<i>Francis Owens</i>	

The Senior Class Play, “The Show-off” was presented April 8th and 9th and maintained the high standard of achievement and success of other years. The cast was chosen with regard for their dramatic ability and general adaptability to each part.

The play centered around Aubrey Piper, “The Show-off,” who liked to talk better than anything else. He was very attentive to Amy Fisher and called on her three times every week. Her mother and father were absolutely at a loss to see how she could tolerate him because it disgusted them to be around him for only a few minutes at a time. Aubrey could “bluff” his way through everything. Clara, the married sister and wife of Frank Hyland, tried to convince her parents that Amy loved Aubrey and therefore saw him as the perfection of her ideal. Clara wasn’t happy with her husband because he was too quiet and didn’t talk enough. Aubrey and Amy were married and Amy, accustomed to earning her own money, had a hard time learning to curtail expenses. Bad luck suddenly seemed to descend upon the Fisher family. Mr. Fisher died from the results of a stroke of apoplexy, Aubrey was injured in an automobile accident and fined one thousand dollars for careless driving and Amy and Aubrey lost their home, and had to move in with Mrs. Fisher. Mrs. Fisher paid Aubrey’s fine with Mr. Fisher’s insurance money. Joe was always interested in a certain chemical process and he was negotiating with a company for a contract. They offered him fifty thousand dollars, but Aubrey with his “bluff” told them he would not allow Joe to sell for less than one hundred thousand. This convinced Mrs. Fisher that his talkativeness was of some good and the play ended happily.

## *Class Prophecy*

Among the indispensable elements that make a successful year book is the prophecy. Ah, yes, someone must write a class prophecy. Far be it from us to discredit such a time-honored practice. Never let it be said of us that we in any way disturbed the ancestral dust which has gently settled on this ancient usage.

Not having been endowed, however, with that sublime faculty of prophecy, we will not attempt to penetrate the veil which envelopes your destinies and shrouds them in mystery. Would we rob you of the pleasure of anticipating what the future holds for you! Nay, Nay. . .

But, since it has been decreed that this be a good annual and contain a prophecy, we must take "poetic license" and give our fancy full sway.

Alas, Alas, our "fates" have decided that Leon Harris, our pious Leon, is to stray from the straight and narrow path and fall by the wayside; for it has been irrevocably decided that he is to earn great fame and fortune as the world's greatest exponent of the Charleston, Tango, and other terpsichorean arts.

Fairy June Meeker, too, is to be one of Dame Fortune's favorites, for we see her enthralled vast audiences which nightly clamor to hear her at the Metropolitan Opera House.

Inevitable destiny wills it that Margaret Jessup scale the dizzy heights. Indeed, she will be known and acclaimed by Pathe News fans as the marvel of the times, a feminine rivet slinger.

Mme. Jewel Fitch will become the world's most famous modiste, more sought after and patronized than the great designers of Paris. She shall fashion gorgeous costumes for the dainty young danseuse, Mlle. Isabelle Moore; and create ball gowns for such notable ladies as the Dutchess De Mure, nee Lorraine Cauley.

It is written among the stars that Herman Landes will be singled out from the common herd; that he shall have lavished upon him the gratitude and praise of the people, for beyond a doubt he will be the town's most reliable bootlegger.

Eunice Frost, the young lady with the chilly name is to prove the warmth of her heart by establishing a heaven for homeless and decrepit Baby Lincolns.

But alas! The years are not kind to all of us. Often in their onward march they heedlessly trample our fondest hopes. Behold our beautiful and popular Juanita Jones reduced to an emaciated spinster pedagogue.

And what of the fate of Doris Marie and Willis? We hold our breath in suspense as we watch the spinning of the wheel of fortune. Wait! No, it can not be. Their ways must part. Doris will elope with Walter Cook and Willis, disappointed and heartbroken, will write popular song lyrics to her memory.

It is with tears in our eyes that we contemplate the miserable end awaiting our friend Mary Taylor. How cruel life is. Poor Mary will inherit fabulously rich silver mines in Mexico. Bowed down by the terrible weight of her wealth and unable to give any of it away, she will finally succumb.

What does the future hold for the rest of us! Dare we delve into its aw-

ful mysteries! We do, for its revelations are worth the hazard of dissapointment. Rex Dixon in some remote time, will be the proprietor of "Ye Gifte Shoppe" a dear little nook where one may buy hand painted razor blades and crocheted smoking jackets.

Mary Emma Knight will conduct a successful and growing business in a matrimonial exchange where dissatisfied wives can exchange old husbands for new. It is decreed that Esther Barnett is to grace the establishment in the grace of an office boy. Among the many patrons eager to testify their satisfaction will be Constance Van Dalson, Henrietta Gaus and Louie Mitchell.

Harold Nessler will win first prize in a beauty contest for the most perfect eyebrows. George Dunn and Don Skeoch will tie for first place in a contest to determine the owner of the biggest feet.

Velma May and Paul Boze, that peerless team, will carry off countless honors and cups as the Charleston champions of the world.

Leland Raines will mount the ladder of fame as a horticulturist, a second Luther Burbank. After years of experimenting, Mr. Raines will proudly present a wonderful product, a species of the mint family which will grow dimes.

Everett Bricker is destined to be one of the most widely read men of the future. He will write on the subject of food. Days upon days he will view foods of all sorts and become our city garbage collector.

One of our members will follow the beloved profession of school teacher. Ruth Hartley will head the commercial department. However, after years of that noisy click-click of the typewriters, Miss Hartley will achieve fame with an invention whereby merely thinking of the words desired to be typewritten will cause the machine to automatically record them silently. It will be called "The Mind Reading Silent Typewriter."

Harold Campbell is to realize his highest ambition. He will be the boy who pulls the whistle of the twentieth century limited. Paul Vermillion also is destined to travel a great deal. He will tie all his worldly possessions in a red bandanna and merrily ride the brake beams.

Ah! friends there is always one musician among us. Edith Whiteford will tickle the keys and win the radio title of "Queen of the Ivories."

Romance is not dead. Now and then it bravely shows itself; aye, blooms in our very midst. There is not a soul who does not cheer wildly, not a heart which does not thrill as Russell Hudson, a dashing speed demon, risks his neck magnificently in the Speedway Races to win the fair hand of the banker's daughter.

Emmerson Baker will find his princess in the person of Lucile Dudley. A blissful marriage is predicted "Bake" has a happy future ahead.

Again the crystal clears and we see pictured therein a great human drama that tugs at the heart strings. Blanche Thatcher, a beautiful and sympathetic nurse, is watching at the bedside of a handsome young man, the victim of an automobile accident. The young man is none other than Robert Wallace, the millionaire. With her cool fingers she smoothes his aching brow. He looks at her with adoration in his eyes—We see no more but we have no fears as to the outcome.

There are to be many illustrious celebrities from our class. Among them Mlle. Lois Hite, a virtuoso artist of the harmonica, will make extensive concert tours both in United States and before the crowned heads of Europe. She will be accompanied by Joe Ellison who will turn the pages of music for her.

Cleona Weaver will reveal remarkable and heretofore unsuspected talent, challenging all comers as the champion heavyweight woman boxer of the world. When interviewed "Knock-Em-Out" Weaver will remark modestly that she owes all her success to the genius of her manager "Polly" Reeves.

Ernest Hale will endear himself to the hearts of students forever as the inventor of a painless process for learning U. S. History.

Paul Lytle will acquire fame over night as the author of the world's best seller, a book on "How to Reduce Your Golf Handicaps".

Norman Cook, a celebrated criminal lawyer, will save Robert Jones from serving six months at hard labor for violating the Funkhouser-Jordan law. This act, which forbids the smuggling of illicit lollypops, will be proposed by our friends Charles and Thelma, senators from the Fanatical party. They will be unanimously elected to Congress on the platform of "no fun, no pep, no booze, and no Charlestoning."

Marguerite Dewey is destined to be one of the most outstanding humorist of the country. The little tea leaves say that she will even eclipse such notable stellar performers as Lawrence Crozier who will be in great demand among Ladies' Aid Societies because of his ability to give dramatic readings.

Ah! freinds it is with the utmost pleasure that we reveal these dim secrets. Little you know of the momentum and even stupendous events which have yet to be fulfilled. Edmund Aldridge will have reached the supreme moment of his life when for the first time he successfully balances nine beans on his knife.

Robert Shelton will undertake a great and perilous expedition into the wild interior of Jackson Park. There he will meet with many hair-breath escapes and finally emerge triumphantly with the gloves.

Lyn Brendel, a snappy and alert young salesman, shall venture alone among the barbarous natives of the Fiji Islands, armed with only an unlimited supply of conversation and a sample case full of "Imperial Furniture Polish" (cleans and polishes in one operation.) This he will sell to the inhabitants, thereby amassing a huge Fortune.

It seems that our friend Chauncy Lennon will be affiliated with the new Protestant Hospital which itself is yet but a vague dream. Ah, yes! We have it now. He will be second assistant to the janitor's third helper.

Seldom does a High School produce so many champions. However, as Dame Destiny gazes into the sparkling crystal of the future she will discern, as the scene slowly comes into view, a crowd, an immense crowd of thousands of people lustily cheering. Ah! Yes it will gradually become more clear and the forms of Frank Lawler and Ross Swinford will be seen in the arena. They will be on their knees; Swinford crying "Knuckle down" and the champion marble contest will continue. The scene will fade ere the victor is proclaimed.

## *Class Will*

We, the members of the Senior Class of the Senior High School of the city of Anderson, in Madison County, in the state of Indiana, being of a sound mind and ready memory, do make, publish and declare that this is our last will and testament, in manner following, that is to say:

One—We will our beloved sponsors three months vacation in which to rest and recuperate from fatigue and brain fag incurred as sponsors of the class of '26.

Two—We, the Senior class will our ability to listen quietly in class meetings to the Junior Class.

Three—We will our faculty for doing away with old customs to the School Board.

Four—We bequeath the school to Mrs. Dennis.

Five—Barbara Miller and Marguerite Toole will their vendetta with the teachers to Adair Bevelhimer.

Six—Gladys Presser wills a few of her unpattented Charleston steps to anyone who can do them.

Seven—Isabelle Moore wills her Spanish beauty to Evaline Snyder.

## *Editorial Comment*

Our task is done. The fourteenth Annual of A. H. S., the "Indian" of 1926, is delivered to you as the fruit of our labors. At present we know more about the production of a year book than we did a year ago. Probably there are a few things we would like to change, but we submit this book to you as the result of our best and honest efforts, knowing that you will judge and appreciate accordingly, and hoping that you will find some little enjoyment within its pages.

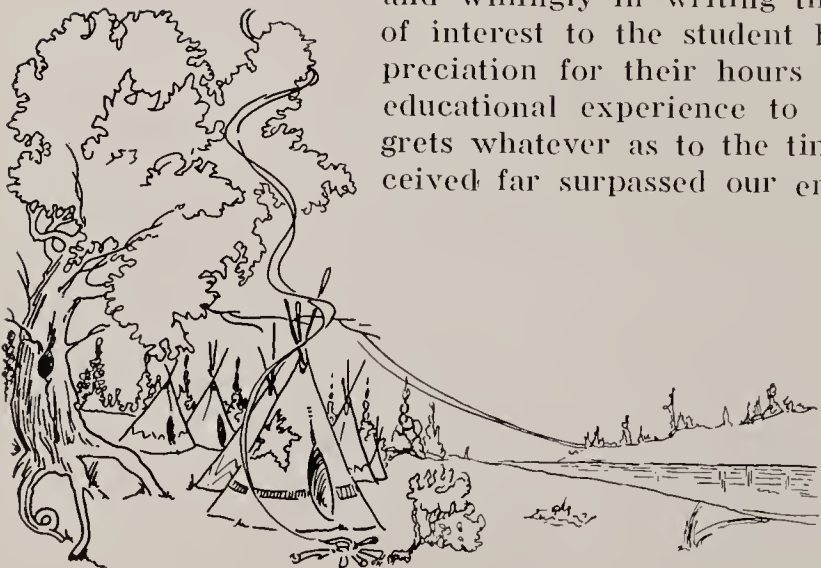

Early in the year we formed some definite underlying policies governing the production of this annual. The name of "Indian" was kept with the hope that it would remain the title of the Anderson annual for years to come, especially as A. H. S. has become known throughout the state as the home of the "Indians," and its spirit and traditions are truthfully typified by it. It was our aim to maintain the high standard of achievement set by preceding year books, their literary excellence, artistic accomplishments, high quality of materials and fine printing and engraving, and to do this without financial loss. It is a pleasure to state that we were successful in the latter, that we assumed the debt of \$192 on the 1925 "Indian" and showed a small balance to our credit after defraying the \$2000 expenses on the present annual. Above all else we desired to give a faithful record of school life in all its phases, at A. H. S.

It would have been impossible to have realized these plans without the splendid co-operation from the Art department, Print Shop, and members of the staff.

At the beginning of the year when the first staff meeting was held it was decided that simplicity should be the keynote in outlining the book. Accordingly, the decision was made that one color only was to be used throughout the Annual except on the insert pages. The attractive marginal sketches are found printed in black in harmony with the other work. The art department as well as the staff, is well pleased with this feature. At the suggestion of Miss Balyeat the generally accepted panel arrangement was adopted for the Senior section. This plan made it possible to place the largest number of photographs on a page in the best artistic manner. Pauline Reeves drew the pannels as they appear herein. A third distinctive feature is the insert pages.

The privilege and facility of printing the Annual in the school print shop enabled us to place the "Indian" in a class by itself in the Art Craft Guild's contest. It is through the faithful work of the printers that we are able to present this book to the school.

Much, however, remained to be done to complete the annual, for all the literary articles had to be written. It required great patience and endless effort and re-writing to supply these write-ups. This was the rather thankless task of the staff, whose members applied themselves diligently and willingly in writing the calendar, will, biographies and other articles of interest to the student body. We express our sincere thanks and appreciation for their hours of labor and co-operation. It has been a great educational experience to plan and produce this book. We have no regrets whatever as to the time and effort spent, for the value and profit received far surpassed our endeavors.

## X-RAY BOARD

X-RAY SPONSORS

## *X-Ray Board and Sponsors*

The feeling has been general for several years that the X-Ray was not being published according to the best plan possible, so an innovation was made this year which was found to work more satisfactorily than any hitherto tried. The X-Ray board was retained with slight changes; a new scheme of having two complete staffs to publish the paper on alternate weeks divided the work of publication so that one individual had no more work than he could do. In addition to these changes, a complete staff of faculty advisors acted as critics for each department of the paper. One student was editor-in-chief, having authority over both staffs, and another acted as the chief business manager.

The X-Ray Board has undergone only a few changes. Mr. J. D. Miller acted as Treasurer, Miss Miller as English Critic, Miss Rice had charge of the distribution of the papers, and Mr. Barner supervised the printing. In addition to these four faculty members, each class elected a student as its representative on the Board. These student members were: Katherine Gray, Senior; Joe Welnaek, Junior; Harold Genda, Sophomore; William McNabney, Freshman. Katherine Gray acted as president of the Board.

The work of the individual student editors was made easier by having at the head of each department, a member of the faculty, this advisor acting as critic to the members of both staffs.

The faculty members with their respective departments were as follows.

DEPARTMENTS	ADVISOR
Editorial .....	Mr. Lambert
News .....	Misses Hamrick and Day

"RED" X-RAY STAFF

"GREEN" X-RAY STAFF

## *X-Ray Staffs*

Two complete staffs were chosen this year to publish the X-Ray on alternate weeks. This not only relieved one staff of students of the responsibility of issuing a paper every week, but it also stimulated a friendly feeling of rivalry between the Red and Green staffs, as they were called, to see which staff could issue the better paper each week. At the head of the whole organization was Frank Lawler as Editor-in-Chief, with Russell Hudson as chief business manager. In addition to these two, each staff had a separate editor and business manager. Gerald Elliot was the editor of the Green Staff and Dawson Hart, who was later replaced by Rex Dixon, was the business-manager. The staffs were composed of eighteen members besides the faculty advisors.

Another innovation was made in regard to the selling program. This year the sale of X-Rays was conducted through the advisories rather than in the halls. For the price of a subscription (50c) sixteen copies of the X-Ray were guaranteed besides the Tournament, Christmas, and April Fool's extra editions, otherwise all the papers if bought weekly would have amounted to eighty cents. About five hundred subscription were sold this year.

A study of the list of exchange papers that are recieved at our school office revealed some very interesting facts. One may well feel proud when he observes the great circulation of his school paper. "The X-Ray" found its way each week into offices of schools as far north as Lancaster, New Hampshire. The schools of Tallahassee, Daytona, Piedmont, and St. Petersburg in Florida; Enid, Oklahoma; Dallas, Texas; Los Angeles and San Diego, California, are recipients of our paper. "The X-Ray's" most distant member of exchange is Honolulu.

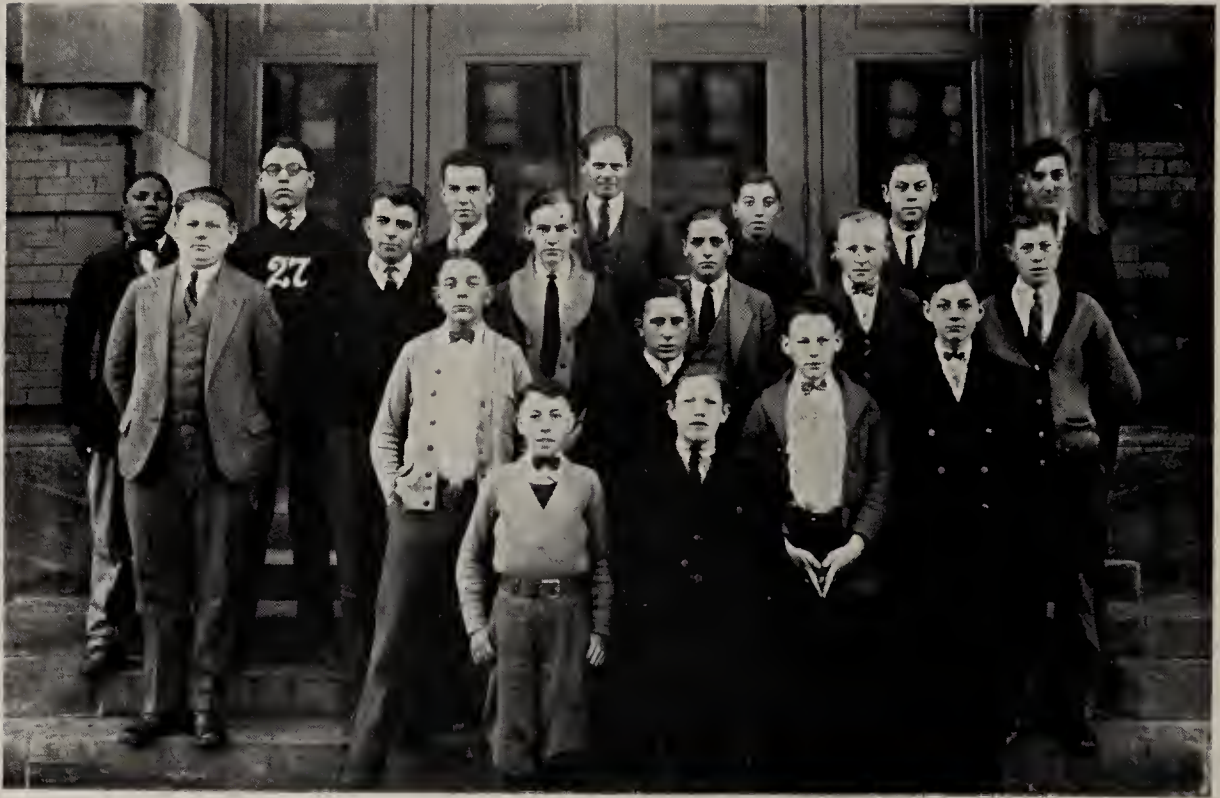

The "X-Ray" was entered into the State Editorial Contest for High School papers. The contest lasted for ten weeks. Each week the editorial appearing in the High School newspaper which was judged as being the best editorial during the week was broadcast from Station W L S, Chicago, which was co-operating with the State Department of Public Instruction in judging the contest.

Several special issues besides the regular weekly ones were published. The Christmas edition of sixteen pages was published on Tuesday before Christmas. The two staffs combined in putting out this paper and it had several interesting features.

A Tournament edition was published during the Sectional Tournament. "Dope" on all the teams, the schedules, and pictures of the teams were features of this issue.

The April Fool number was also very clever. This issue was the final one of the year.

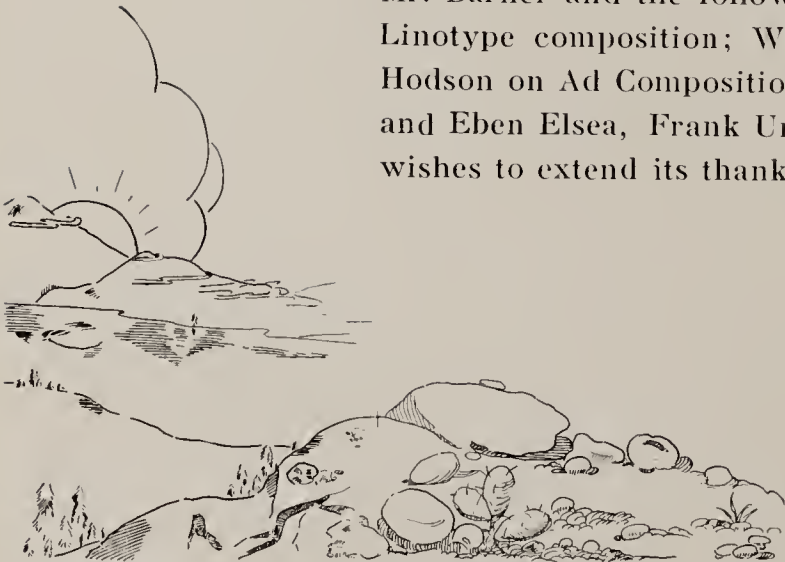

## *Print Shop*

In one of the large rooms in the southwestern part of the basement is to be found one of the most unusual and essential departments of A. H. S. Few high schools of Anderson's size possess such printing facilities and publish all printed matter for the entire school system. Such school publications as the "X-Ray," the school weekly, and "The Indian," the year book were produced in co-operation with this department. This can only be accomplished through the fine supervision and tireless energy of Mr. Barner as instructor and the splendid spirit and co-operation of the vocational boys.

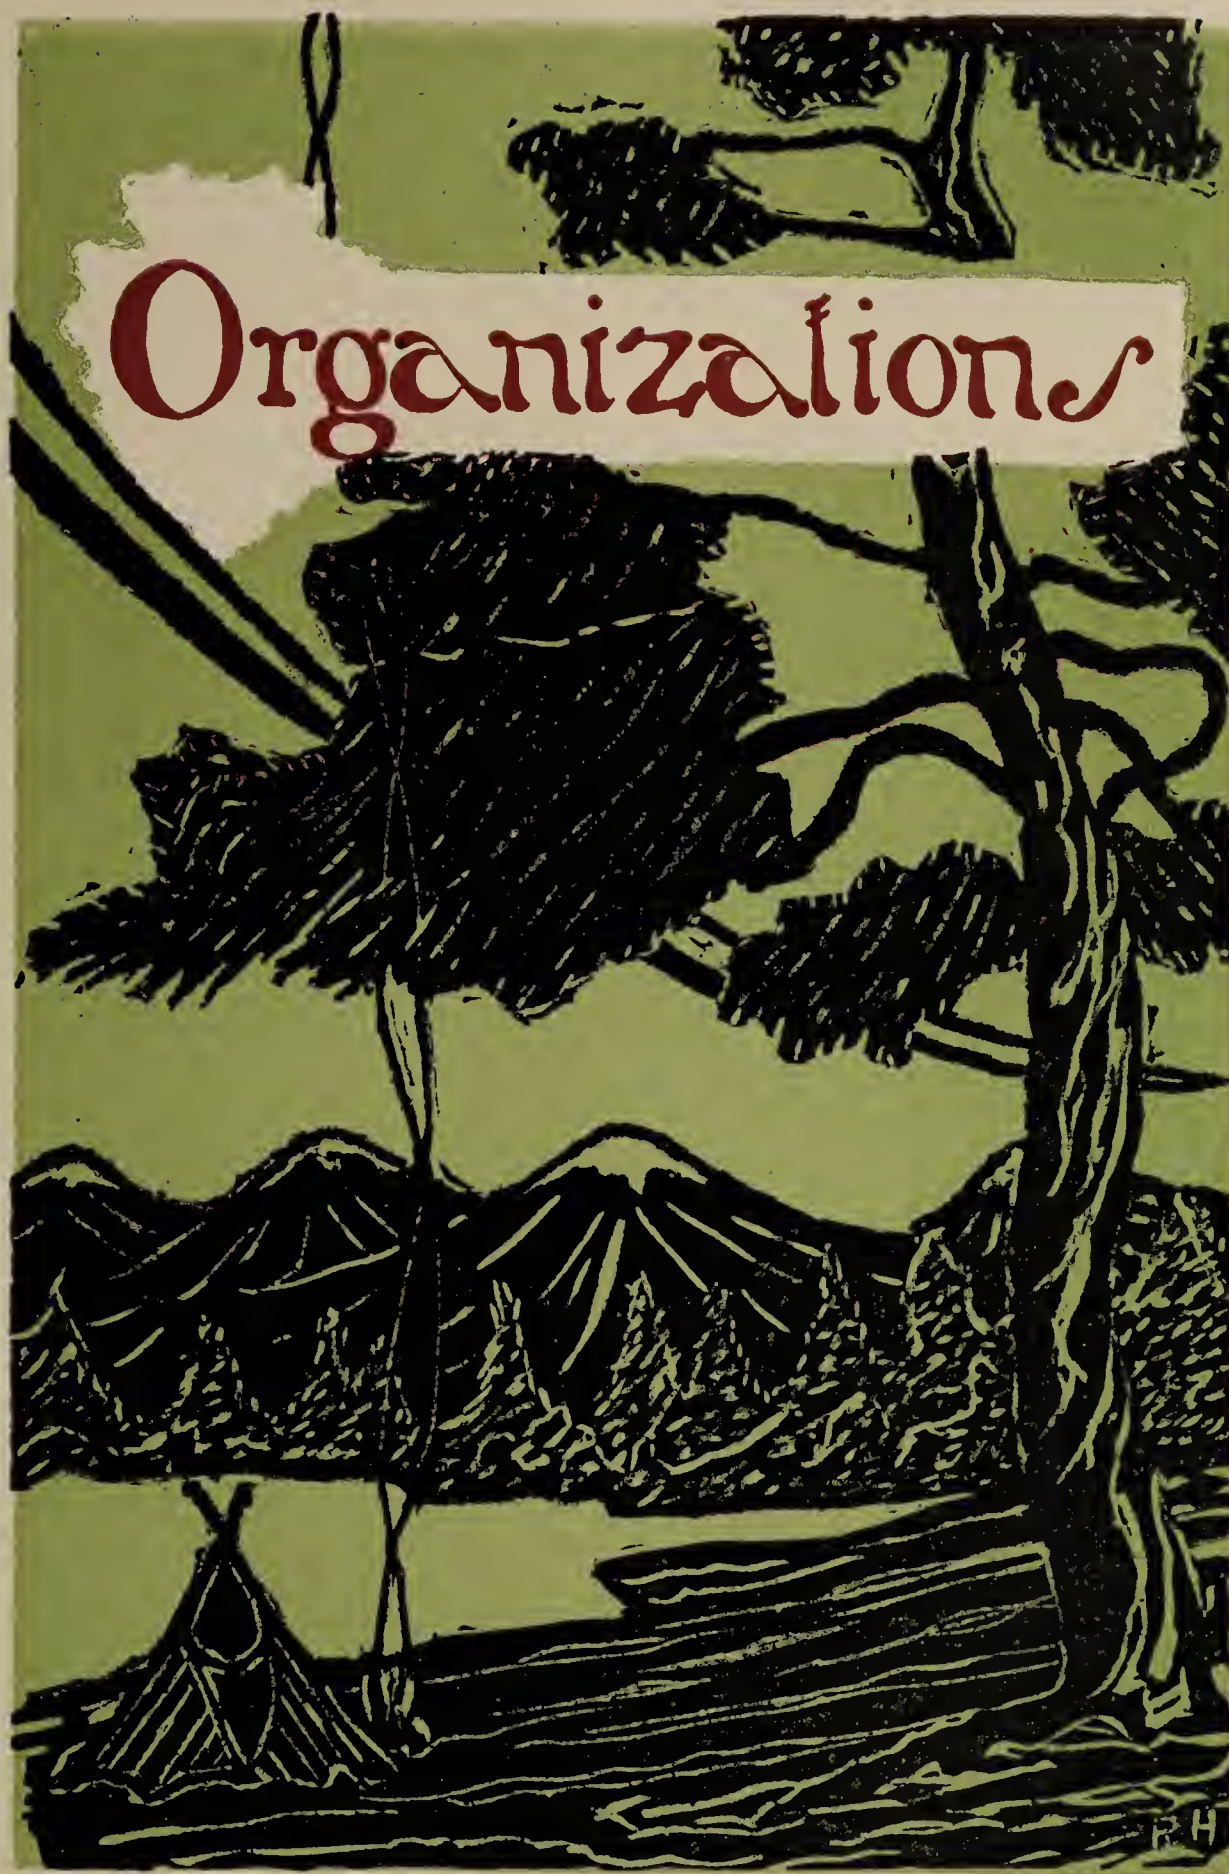

This year the X-Ray appeared regularly every Tuesday morning. The students found their paper very attractively set up and enjoyed particularly such issues as the April Fool number, in which the unique printing was one of the amusing features.

The staff is very proud that the Print Shop deserves all the credit for the printing of the Annual and is happy to recognize and appreciate the fact. To Mr. Barner and the following students: William Kleeberger and Ed Long on Linotype composition; Wilbur Hobbs, Kenneth George, Eben Elsea, Russell Hodson on Ad Composition; Wilbur Hobbs and Russell Hodson on make up, and Eben Elsea, Frank Unrue and Kenneth George on press work; the staff wishes to extend its thanks.

The members of this society enjoy the distinction of receiving a special pro meritis certificate bearing the motto, "summa cum laude," which means "with highest praise." They are also permitted to wear gold hexagon-shaped pins set with six pearls and engraved with the official emblem, an open book and a torch, as well as the inscription of the above Latin phrase.

The Honorary Society was organized five years ago to confer honor upon those students whose scholarship is exceptionally high. No student can be a member unless one-half of his grades are A and not more than one-fourth B. Up to this year, Freshman grades were not counted, but the constitution was amended this year. It was necessary to do so concerning elections and so an amendment providing that Freshman grades should be counted was also passed. Sixteen credits must be made before a student can become a member. He must also be approved by the faculty and the society in regard to general mental attitude and morals.

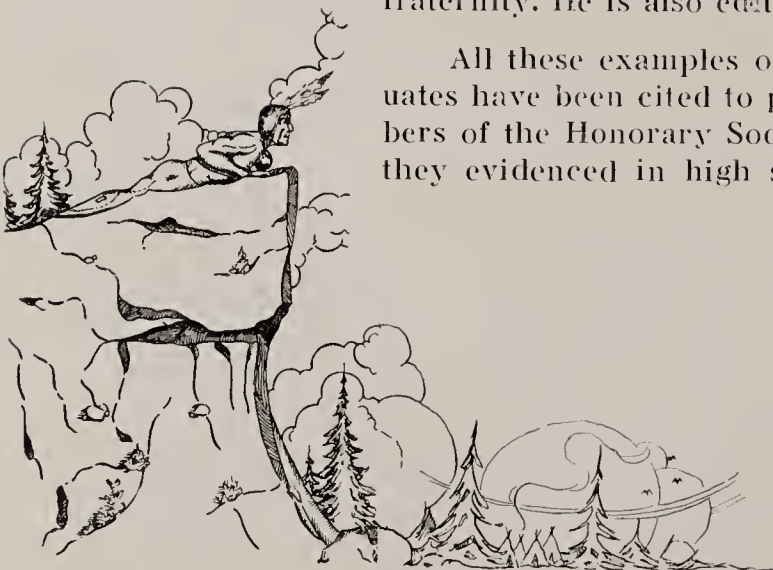

The initiation which is in the form of a dramatic allegory is very impressive. The service does not have to be kept secret but a member seldom mentions it to anyone who is not a member of the club.

This year's class has always been well represented in the society both as Juniors and as Seniors. Seven new members were taken into the club this year. After the initiation services, a party was held for the new members. Everyone seemed to enjoy himself. Mrs. Burrows and Mr. Weidler were guests.

In order to dispel the idea that these honor students are always serious and never have their share of fun, a very clever play, "When The Lamp Went Out" was given in the auditorium one Wednesday morning. This play which "starred" Alice Davis and Herman Landes made a big "hit" with the student body.

The students whose scholarship has permitted them to be members of this society, have, almost without exception, made splendid records for themselves in college. Ward Hartzel and Kenneth Cougill, both members of the society last year, won scholarships at Depauw University. Dorothy Dietzen is doing excellent work in the Chicago School of Music. Robert Crouch and Robert Davidson both won scholarships in DePauw. Robert Crouch has recently been accorded high honors there. He has been elected president of the DePauw chapter of Sigma Delta Chi, a national professional journalistic fraternity. He is also editor of the "Yellow Crab," DePauw comic publication.

All these examples of the college records of Anderson High School graduates have been cited to prove that these students who are all graduate members of the Honorary Society have proven the mental ability in college which they evidenced in high school.

### *Dramatic Club*

The object of the Dramatic Club since its founding in 1912, has been to interest the students in drama and to study dramatic action.

Since it was the primary purpose of the club to give each member a chance to try his dramatic ability, a number of one-act plays were given providing for a more varied and larger cast instead of having the unusually talented members appear in big productions. In order that each student might more fully appreciate the skill and understanding required to produce a play, different members were asked to coach one-act plays.

One of the most successful of these plays was "The Florist Shop." Gerald Albright and Genevieve Ellison were especially clever in their parts. Miss Wilson was assisted in coaching the play by Marjorie Richardson and Ruby Pasho.

"The Flattering Word" which was coached by Miss Hamrick, was presented in February.

The first semester the club had a theatre party and a New Year's Watch Party. The second semester the club was under the direction of Miss Audra Miller who just returned from several year's study in Paris. She infused new life into the club and tried to bring about a better understanding of French spirit, life, and customs by singing French songs, especially the beautiful Marseilles; producing little French plays, and interpreting French Literature.

## *Latin Club*

PRESIDENT ..... *Juanita Jones*      SECRETARY ..... *Virginia Hudson*

The "Sodalitas Latina" was the result of a long-felt need for a Latin Club in the Anderson High School. It was organized in 1921 through the efforts of Miss Nagle and it has grown rapidly since its organization. ..

The main purpose of the club is to interest the student in and give him a better knowledge of Roman every-day life apart from the literature he reads. Many interesting papers have been read and talks given about Roman manners customs, and methods of living in order to destroy the incorrect idea of the Romans gained by reading only Caesar, Cicero, and Vergil.

The membership is confined to the Cicero and Vergil students. At present there are twenty-six members in the club. This is an inducement for students to keep on with Latin instead of dropping it after finishing Caesar.

The meetings are held once a month. Committees which are appointed by the President, arrange the programs.

The Christmas meeting was probably the most entertaining of the year. Each member was given a Latin name which he was called all evening. A very good paper was read about an old Roman Festival, "The Saturualia." Gifts were exchanged and each one had to make up a verse about his gift.

The success and advancement of the year's work is due to the untiring efforts of Miss Nagle, the officers, and the hearty interest and co-operation of the members.

The Spanish Club has offered to all students interested in Spanish many enjoyable programs of great variety, ranging from descriptions of old Spanish Castles to the actual presentation of Spanish plays. In regard to the latter, two comedies written in Spanish were given before the club by members. They proved to be very entertaining. Spanish songs were sung, legends of old Spain told, Spanish customs discussed and contests and games played.

Yet time was found for parties too, among them a Christmas Party, Valentine Party, and Theater Party.

This year the club has adopted a pin for its official emblem with which the members are well pleased.

It may be said that the club has been very active this year and much of its success is due to its sponsor, Miss Graham.

The club was formerly known as the Science Club but two years ago, the Mathematics department students were joined with the Science department students in the membership of the club.

Any student who has one credit in Science or Mathematics or is taking one of these subjects is eligible.

The programs usually consist of prepared talks on scientific subjects of general interest. With the increased field for subject matter, many new features were introduced this year.

Mr. Horton and Mr. Brinson, the sponsors representing the Science and Mathematics departments, respectively, have a large share in making the meetings interesting.

A member is elected to the Council by each advisory group for a period of one year. The members must have passing grades in three subjects and attend the meetings regularly. Membership has increased from twenty-eight to forty-five in the six years of organization with Mr. Black acting as its faithful sponsor all this time.

The Council has endeavored to serve the students of Anderson High School by passing measures to raise the school standards.

### *Commercial Club*

PRESIDENT ..... *Evaline Martin*      VICE-PRESIDENT ..... *Jewell Fitch*  
SEC.-TREAS. .... *Eunice Frost*

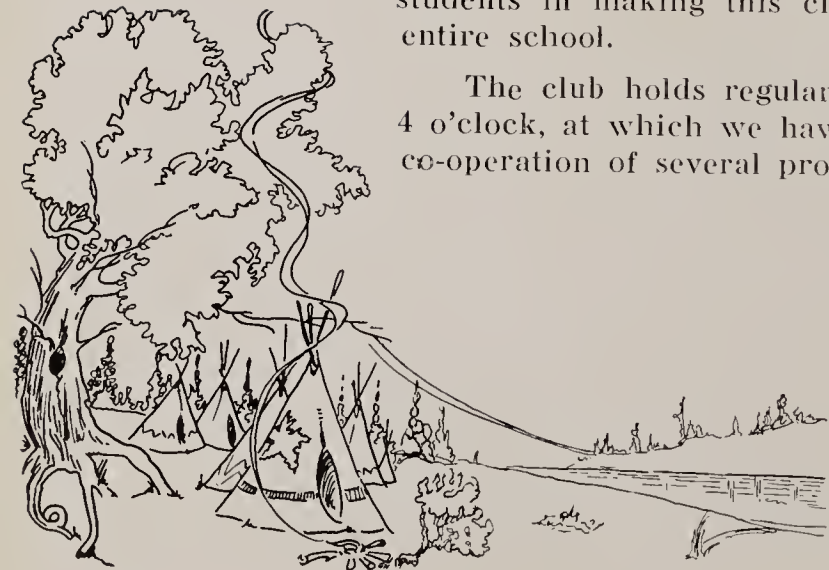

All those students who are interested in commercial work were glad when the Commercial Club was organized in 1922. The only requirement for membership is one credit made in the Commercial Department.

The club has increased from twenty-seven last year to fifty-five this year, which was due to a contest which was staged in the club. Sides were chosen and sharp competition resulted. The losing side gave a party for the winners at the home of Miss Marguerite Dewey.

During this year many social events were enjoyed by the members, including a pot-luck supper, a Christmas party and a farewell party for Miss Margaret Martin, the sponsor who left here to go to Pittsburg to teach. She was presented with a leather portfolio as a token of appreciation for her loyal work in the Club.

A number of commercial students participated in the District and State Commercial contests at Muncie. The sponsors have co-operated with the students in making this club one of the most active organizations of the entire school.

The club holds regular meetings every other Thursday afternoon after 4 o'clock, at which we have been fortunate in securing the attendance and co-operation of several prominent business men.

### Senate

PRESIDENT ..... *Leon Harris*      SECRETARY ..... *George Manning*  
 VICE-PRESIDENT ... *Charles Preston*      TREASURER ..... *Robert Clark*  
 READING CLERK .... *Bernard Grossnickle*

Under the administration of these officers, the Senate has had one of its most successful years. With scarcely a dozen members as a nucleus at the beginning of the term, within two weeks enough new solons were recruited to swell the membership to more than normal strength, making it necessary for each prospective member to undergo a stringent investigation regarding eligibility before being admitted. All the senators soon entered into the spirit of the year and exhibited remarkable and unusual enthusiasm, loyalty, and co-operation.

Extra activities have not been neglected during the year. The first social function was a Hallowe'en party which was very successful. This was followed in December by a Christmas Festival. "Eats" were served at both of these affairs by the girls of the Senate. A regular Senate meeting was presented before the students in the auditorium which brought the work of the senate before the school. A banquet at the Stilwell Hotel closed the year's activities.

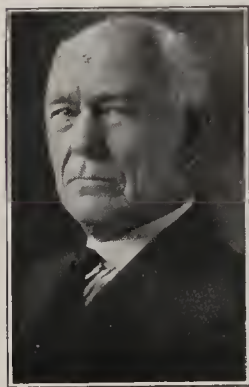

## *Senate*

Since its founding twenty-one years ago by Oswald Ryan, the Senate has been very active. It is the purpose of the Senate to train the students in the art of oratory and parliamentary law. This training increases self confidence and gives valuable experience in public speaking. How well the Senate has succeeded in its aim is shown by the fact that fifteen hundred graduate members, many of them prominent in national affairs, trace the beginning of their interest in the art of self expression to their Senate careers.

Although the primary interests of the club are centered about the Tuesday night debates on national, state, and local questions, the social side of the club is not neglected. Numerous parties, banquets and other affairs are held during the year.

During the first semester, under the presidency of Leon Harris (the 4th president in 21 years to be unanimously re-elected to office), the Senate of 1925-1926 grew and developed rapidly. At mid-year, President Harris, having served the constitutional limit of two years, a new administration under Schurl Marshall took charge, guiding the Senate through an active spring term.

Much appreciation is due Mr. Black for his faithful work as a sponsor for twenty-one years. In all this time he has missed less than half a dozen meetings. Miss Merker, English critic was also untiring in her work with the Senate and the advice and encouragement of these two faculty members has been a factor contributing largely to the success of the organization.

## *Girl Reserves*

To realize the ideal of "a triangle for every girl" is the purpose which has led the Blue Triangle Club through this year.

The program for the year was planned to carry out this purpose and provided for each girl a four-square life comprised of the cardinal principles of Health, Knowledge, Service, and Spirit. Health has been employed by gym and swimming classes, by hikes and discussion groups. Book talks and conferences as well as an effort to attain ring standards have added to every girl's knowledge. Interesting and useful community service work was done at Christmas time when over fifty poor children were entertained at a party at the Club House. Easter Vesper Services and many social good times contributed to the spiritual life of each girl.

During the last year the local organization has become a standard club, and has been registered as such at the National Y. W. C. A. Headquarters.

The cabinet and committees have been assisted during the whole year by the following advisors: Miss Hartman, Service; Miss Wilson, Program; Miss Tykle, Social; Miss Potter, Finance; Miss Rice, Membership and Publicity.

Through the co-operation of club, cabinet, and advisors, the Girl Reserves have had a very successful year.

The Hi-Y Club with the present constitution and method of meeting started in April, 1923. The president, John Canady, and a group of very capable officers carried out a successful program.

This year with Lee Imel as president, the Hi-Y has put on the best program in the history of the club in our school. The club started an active program in September and it has run regularly through the entire school year, the closing meeting being held in early May. Several new and interesting social features were promoted, a gospel team was again organized and conducted services in a number of our Anderson churches. This year the Girl Reserves and Hi-Y jointly put on a Vaudeville for the purpose of raising money for the work of the two clubs next year. A good sum was cleared which will be used to send the officers for next year to the Hi-Y conference in the fall.

The Home Economics Club is the youngest organization in the school since it was only organized last year.

The purpose of the Club is to promote interest concerning Home Economics and to increase the interest of the students in this work.

The regular meetings of the club are held the second and fourth Wednesdays in each month. The meetings which are arranged by a program committee, proved to be very interesting and instructing.

The club gave a cafeteria dinner and a play, "Say It With Flowers," to raise money. They used the proceeds to help buy new furniture for the dining room.

The members showed a lively interest in the club and the club had an active year.

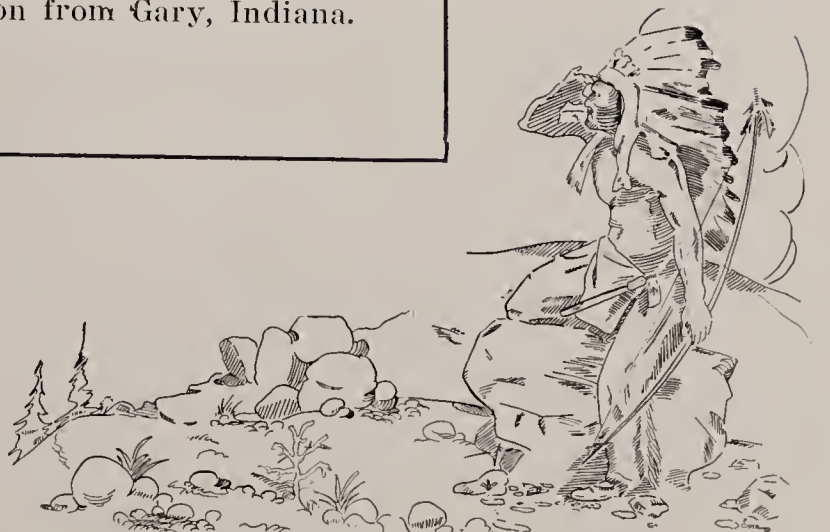

*Mrs. Daly*

The ideal toward which the school of today is striving is to become the social and civic center of the community. There is probably no other school activity plan, except athletics, which comes more nearly fulfilling this ideal than the music department. The varied musical programs bring almost as many patrons to the school as do the athletic games. The orchestra, band, and glee clubs form a background for practically every other activity, whether it be convocation, class play or basketball game.

The achievements of this department are largely to be attributed to the excellent work and supervision of Mrs. Hermina Daly, as Supervisor. Mrs. Daly received her training at Northwestern University, with additional courses at Cornell and Wisconsin Universities. She came to Anderson from Gary, Indiana.

"The Indian Love Call" from "Rose Marie" has been made very popular in Anderson through its beautiful rendition by the Girl's Glee Club. This club is composed of fifty chosen voices also under the direction of Mrs. Daly. A pleasant rivalry existed between the two Glee Clubs, each vying for the approbation of the students in Auditorium calls and for popular favor from the various city clubs before whom the girls appeared.

It is customary for Mrs. Daly to have the Girl's Glee Club participate in the National Music week contest held annually in Indianapolis where they have always received favorable comment.

No other organization in school brings forth more applause on its appearance than the Boy's Glee Club. It is composed of twenty select voices. Under Mrs. Daly's direction, the boys have appeared in more programs this year than ever before. They have sung in the Auditorium several times. One morning's specialty was the beautiful rendition of negro "spirituals" by Raymond Mitchem. The club sang at the older Boy's Conference at the Methodist Church without the leadership of Mrs. Daly, and performed very creditably.

Several of the boys who are studying privately with Miss Wright have sung in the Auditorium.

The boys probably provided more enjoyment for the shut-ins for whom they sang than for any other people.

Every boy in the Glee Club had a part either in the cast or the choruses of the "Bells of Beaujolais."

The spring concert given by both Glee Clubs was their last important appearance. Every member took part in some way and helped to make the concert a success.

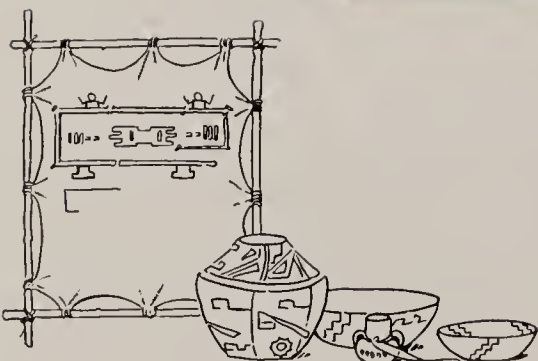

### *"Bells of Beaujolais"*

Augustus, Duke of Beaujolais, Rex Dixon; John Bender, Wealthy American, Francis Owens; Larry, Young American, Noland Wright; Tony, Young American, Bob McGranahan; Hawkins, Benders English Valet, Bill Sines; Pierre, A Juggler, Gerald Albright; Chicot, A Wrestler, Van Faust; Countess Marie, Dukes Fiancee, Jane Toner; Aunt Sarah, Bender's Sister, Martha Wiley; Phillis, Bender's Daughter, Marjorie Richardson; Belle, Her Friend, Wilma Bloomer; Yvonne, A Flower Girl, Maxine Newgent; Susette, A Candy Girl, Mary Emma Knight; Fantine, Countess's French Maid, Francis Morrison.

The operettea was presented by the Boys' and Girls' Glee Clubs under the supervision of Mrs. Daly who directed the music, Miss Niemann the speaking, and Misses Eloise Tykle and Frances Morrison in sharge of the dancing. The school administration body conducted the operetta.

A most outstanding example of co-operation on the part of both teachers and students since about twenty-five teachers and seventy-five students had a part in it.

*Mr. Rencenberger*

The instrumental divisions of the Music Department are taken charge of by the director of the Orchestra and Band. Mr. Richard Rencenberger filled that position this year, when it was vacated by Mr. Wise. Mr. Rencenberger is a graduate of the Winfield College of Music of Kansas and came to Anderson directly from Chicago where he was doing work on both the violin and flute. This is his first year in Public School music and everything points toward a creditable and successful year.

It is the plan of Mr. Rencenberger to build up both the band and the orchestra in the grades. In these classes now there are about two hundred pupils. Thus splendid material will be available when they enter the high school.

## *Orchestra*

The orchestra is one of the oldest organizations in school as well as one of the most active. It offers an opportunity for those interested in orchestral work to receive instruction and experience. The training obtained here is very valuable when the young musicians wish to take their place in various other musical organizations of the city. Mr. Rencenberger is an able director and there is a fine spirit of co-operation manifest among the members of the orchestra.

The orchestra has played several times before the school in Auditorium programs. They are constantly called upon to furnish music for all school and club productions. Especially did they do fine work in helping to produce the operetta.

The personnel of the orchestra is as follows:

First Violin: Thomas Clem, Clement Cronk, Delilah Hartzell, Paul Flory, Boehler Smith, Harold Warvel.

Second Violin: Gertrude Jones, Randolph Covington, Richard Reeder, Catherine Deeds, Marybelle Hughes, Mary Young, Virgil Olson, Earl Sandrift.

Cello: Ruth Richardson, Mary Sibbach; Clarinet: Kenneth Fadely, Bob McGranahan; Cornet: Anson Hurley, Arthur Halberg; Trombone: John Farran, Everett Hull; Piano Accompanist: Wilma Jordan.

## *Band*

The band has not been as long an active participant in school activities as has the orchestra, because it was only organized in 1923 by Mr. Wise.

The band played at almost all the basketball games, creating much pep and enthusiasm. The entire band was taken along with the basketball team to Martinsville, where they made a good impression. They also played for the football games at Athletic Park.

Mr. Rencenberger has been quite successful in his work with the band.

The personnel is as follows:

Cornet: Anson Hurley, Carl Bridgeford, Asa Smith, Glennard Cade, Randolph Covington, Charles Smith.

Clarinet: Kenneth Fadely.

Saxophone: Joe Welack, Sharpe Alexander, Bob Roof, William McNabney.

French Horn: Lowell Coy, Elsworth Rittenhouse.

Trombone: John Farran, Everett Hull, Mathew Sibert, Lowel Walters.

Melophone: Robert Peters.

Drums and Cymbals: Bob Martz, John Clark, Haven Sturgeon, Bob Hilligoss, Farral Wilson.

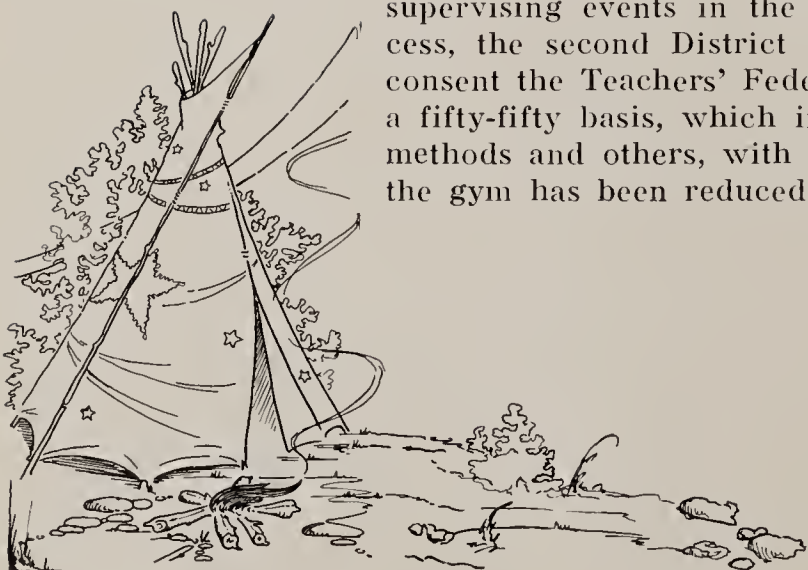

### *Athletic Board*

ROSS SWINFORD .....	<i>President</i>	MR. BONGE .....	<i>Faculty</i>
MR. SHARPE .....	<i>Secretary</i>	FRED BROOKS .....	<i>Junior</i>
MR. COOK .....	<i>Treasurer</i>	JOHN HUNT .....	<i>Sophomore</i>
MR. BRINSON .....	<i>Faculty</i>	CLYDE ARMSTRONG .....	<i>Freshmen</i>

The complete control of Athletic policies lies in the hands of the Athletic Board. This body consists of four members chosen from the faculty and a representative from each class. It sponsors three kinds of Athletics; football, basketball and track. It formulates all rules governing these fields of activities and inaugurates and takes charge of the financial affairs.

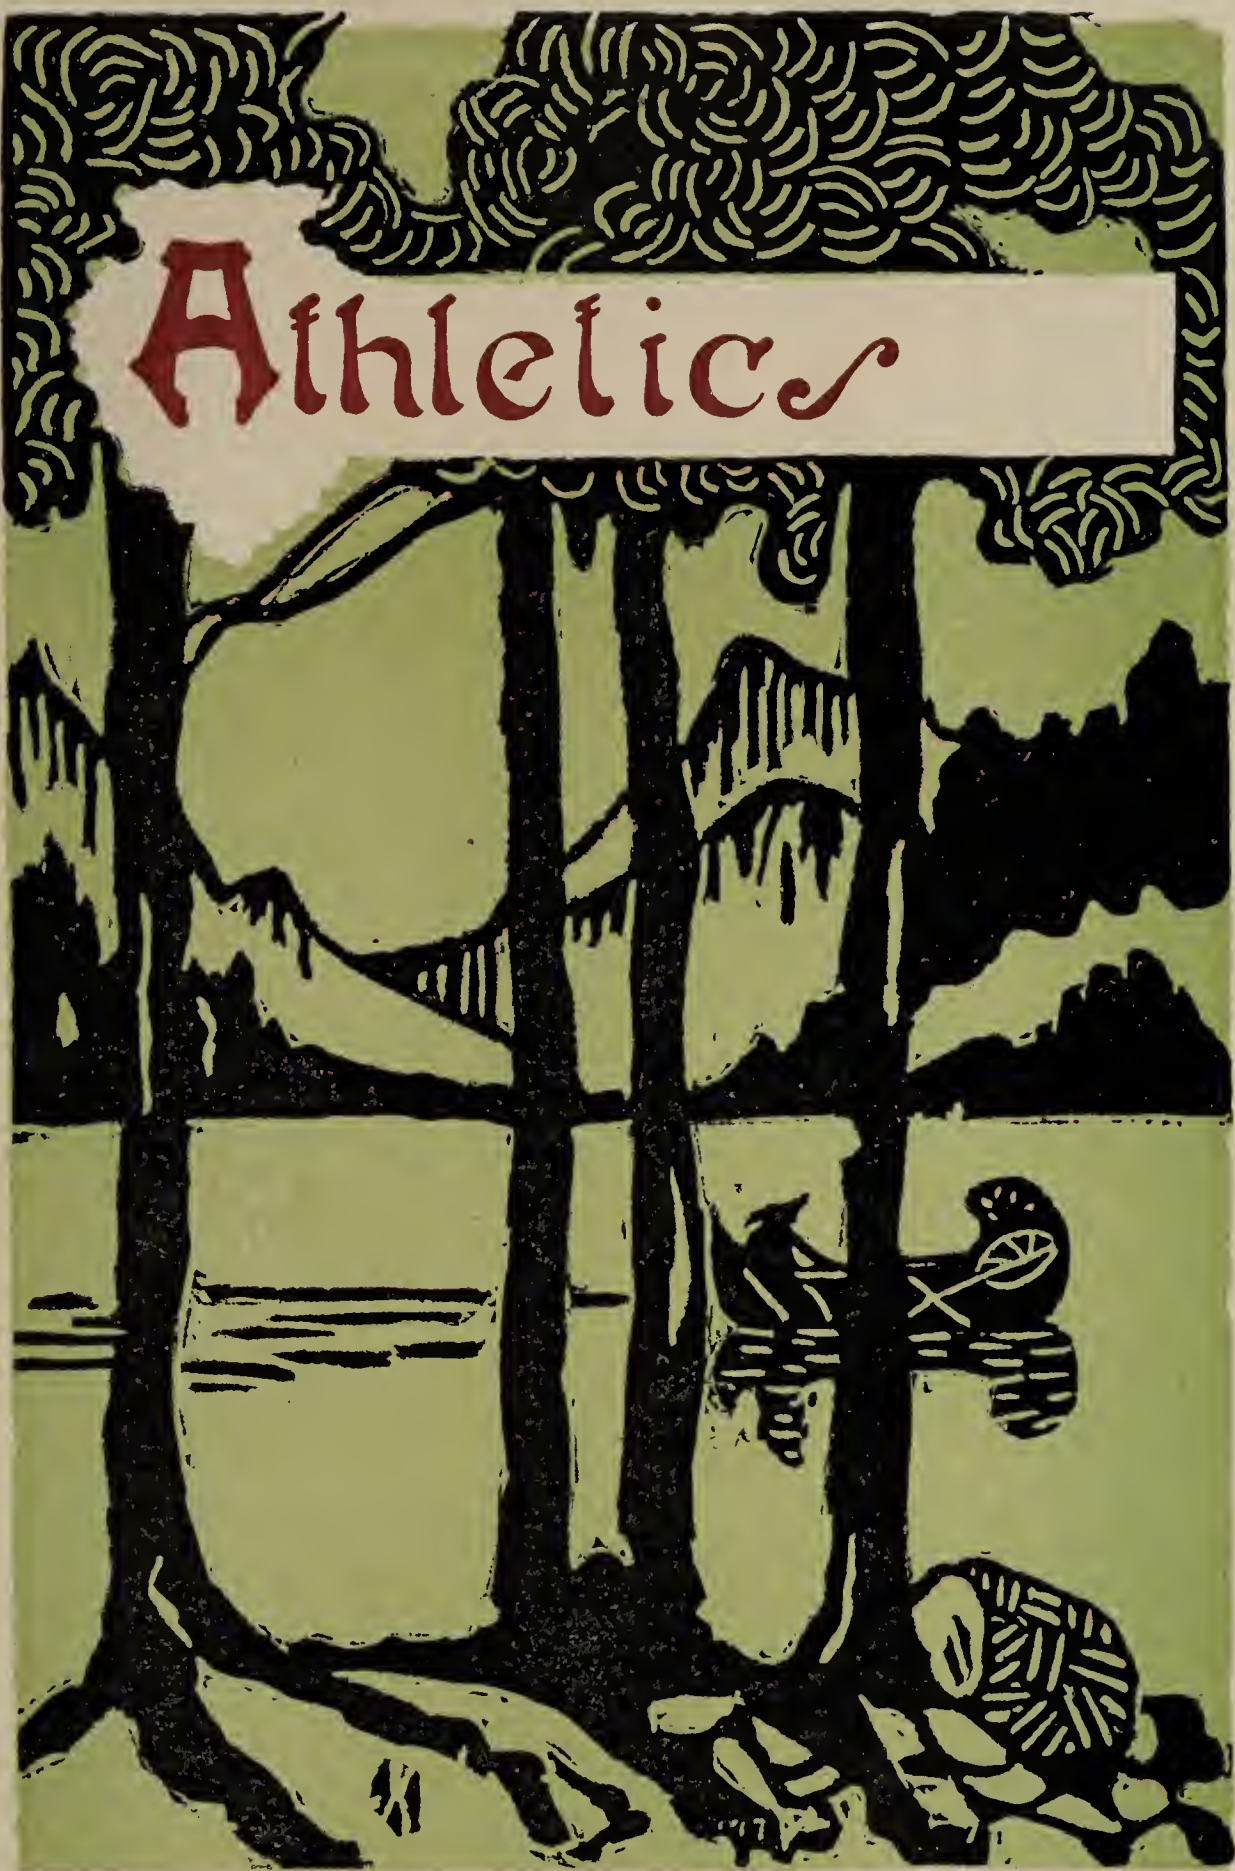

The Athletic Board is the deciding factor in the awarding of letters and sweaters. Several new rules were passed, on the eligibility of students participating in various sports.

Among the most important work accomplished by this body has been supervising events in the new gymnasium. Its sponsored, with great success, the second District Tournament, which netted over \$1300. With its consent the Teachers' Federation presented the "Five Days Chautauqua" on a fifty-fifty basis, which increased the Gymnasium fund by \$385. By these methods and others, with the receipts from the games the indebtedness on the gym has been reduced to \$29,000.

# Athletics

## *Coaches*

A. R. STAGGS—The guiding spirit and force behind our sports is Mr. Staggs, who has been our Director of Athletics since 1918. Coach Staggs came to us from Wabash College and Lebanon. His work in Anderson has won for him the reputation as one of the state's best coaches, producing the same high class teams year after year. Staggs' science, fight and sportsmanship have become slogans in basketball circles.

CARL BONGE—Coach Bonge came this year from Frankton, Indiana, to fill the place as assistant to Mr. Staggs. Under his direction the second team maintained the high position won last year.

RAYMOND C. MORGAN—Mr. Morgan, a former Anderson Graduate, returned this year to take charge of the "Baby Boiler Makers." Coach Morgan was graduated from Purdue University and developed a highly successful football team at Bosse High School, of Evansville.

WILLIAM PECK—A new position of assistant football coach was created. William Peck, of Lapel, was chosen for that place. His services were greatly appreciated in this field and also in Advisory Basketball and Track.

C. D. ROTRUCK—This year proved to be one of Anderson's most successful athletic seasons, especially from a financial viewpoint. This was in part due to the efficient management of Mr. Rotruck, as the new Business Manager of athletics.

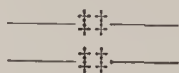

## *Yell Leaders*

WILLIAM SINES—"Bill," the inimitable, graduates this year. It will be hard to find a yell-leader who can take his place. His unique antics made a hit with the fans and since he put his whole soul into his yell-leading, he certainly got results.

FRED BROOKS—As Bill's Assistant, Fred performed in a creditable manner. Several times when Bill was not present, he led yells alone and was very successful.

## *Morches' Cup Winner*

A beautiful loving cup, known as the Morches Cup was presented to A. H. S. at the beginning of the 1924-25 Basketball Season by Mr. William Morches.

The donor's purpose was to furnish an incentive to a spirit of good sportsmanship within the Anderson team. This honor is conferred by the members of the team. At the end of each week of the basketball season, the members of the squad vote to decide which of their number has displayed the best spirit during the practice. Tabulation of the season, and the name of the player thus chosen is engraved on the cup.

The rivalry has been very great during the past season, as each player tried to be worthy of this honor. At the banquet given the team by Mr. Morches, Joe Ellison was announced the member chosen by his team mates as having displayed the best sportsmanship during the season.

One other name besides Joe's is on the cup. Carl Adams won this honor at the close of the 1924-25 season.

## *Boosters' Club*

Things were not right in A. H. S.! Outsiders were saying the school had lost its pep and its noted spirit. Both faculty and students became cognizant of these conditions and decided that something should be done to restore the former healthy enthusiasm and "Indian Spirit." The student body took the initiative in this case and organized the "Boosters' Club." Although this club was organized during the height of the basketball season, its purpose was to sponsor all High School projects, class and club activities, as well as athletics. It was patterned after college "Boosters' Clubs."

It was sponsored by Mr. Goss and Mr. Peck as the faculty advisors. At the first meeting the following officers were elected: William Sines, President; Harold Jones, Vice-President; John Hunt, Secretary; Louis Mitchell, Treasurer; and Don Skeoch, Sergeant-at-Arms.

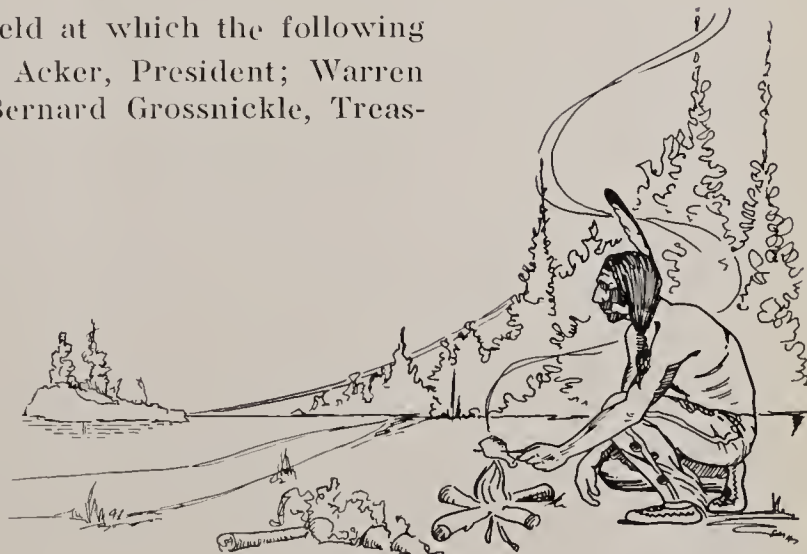

For so new an organization this club proved very active and has accomplished the object for which it was founded, namely to wake up the students. It proceeded in doing so mainly by "Red and Green Week," which was the week of the District Tournament. Each day some stunt or idea was carried out pertaining to the development of school spirit.

On Monday morning a special pep session was held in the gymnasium. Bill Sines, the yell-leader, organized the student body into two sections and led them in competitive yelling. Bob Lowe acted as Bill's assistant on this occasion and proved to be a very able leader against him. Some of the best yelling in A. H. S. history was heard that morning. A surprise for the students consisted of an exhibition basketball game arranged by Coach Staggs between the first and second teams. Tuesday every one was to show his loyalty by wearing some symbol in red and green, the school colors. Every one responded whole heartedly and the few who did not, caused much merriment for the rest, by being fined by various amusing ways.

Wednesday capped the climax! The auditorium call was in charge of the members of the club who imported such speakers as Mr. Geo. Hitz and Mr. Charles Neff. Mr. Brinson also gave a very encouraging talk on the prospects of the 1926 team. The morning was made complete by a movie, presented by Mr. Van Noy. Thursday was the final day before the tournament. In order to round up the week in a fitting manner, a Boosters' Banquet was held in the old gymnasium, about five hundred students and fans participating. Speeches were made by Mr. Forrest Larmore as representative of the community; Mr. Weidler, for the faculty; and by Edmund Aldridge as student representative.

As a result of this "Red and Green Week" the yelling was better than it has ever been in the history of our school and the students were able to bear their second defeat at the hands of Lapel with their old sportsmanship and spirit.

At the close of school a final meeting was held at which the following officers were elected for the ensuing year: Phil Acker, President; Warren Jones, Vice-President; Geo. Hitz Jr., Secretary; Bernard Grossnickle, Treasurer; and Manley Mitchell, Sargeant-at-arms.

## *Football*

To establish a new game in a town which has become the home of one form of athletics is a rather difficult task. For the past few years Anderson has recieved state-wide recognition in basketball. Three years ago, however, football was again reinstated and has been slowly but definitely winning its place among athletic sports.

This Season Raymond C. Morgan, from Purdue, became football coach. This meant that the boys had to get acquainted with a new man, new methods and new conditions.

The result of the football season is as follows:  
 Marion 31, Anderson 7; Portland 14, Anderson 0;  
 Hartford City 19, Anderson 7; Newcastle—,Anderson  
 forfeited; Knightstown 6, Anderson 24; Muncie 74,  
 Anderson 0; Kokomo 40, Anderson 0; Noblesville 13,  
 Anderson 0.

At the end of the season a banquet was held at the Y. W. C. A. for the coaches and members of the team. Here the boys elected Warren Carpenter as honorary captain for the year. "Carpy" was our hard hitting little quarterback who for two years creditably and gamely piloted the football team through all its games.

**DON SKEOCH**—Don played a great game at end this year. Quoting the coach, "he has a bright future as a college player." He was always fighting and his snagging of passes resulted in many gains. Don is a Senior.

**ED ALDRIDGE**—"Aunt Evey." Ed played end and punted during most of last season. He was laid up for some time with a bad knee, and the team missed his hard hitting and punting ability. He was back on the team by the end of the season and acquitted himself with great credit.

**SHARON REIGHARD**—"Sherry." Sharon was always fighting and gave all he had to the team. He has played his last game for A. H. S.

**EMERSON BAKER**—"Big Munn." Baker was the heaviest man on the team and lent much weight to our arguments for victory. During the season there were many arguments which needed his weight, too. Emerson graduates with the Class of 26.

**FRANK LAWLER**—"Dutch." "Dutch" made good at guard. He was a steady player and a hard hitter. This is his last year.

**GARLAND HOLTSCRAW**—Garland was “only a Freshman” this year, but he was one of our fastest men. In addition to being quick, he was a heavy player and made many gains for Anderson. He has a bright future as a football player.

**FRANKLIN SMITH**—“Smithy.” Frank was one of our guards. His steady playing was an asset to the team. He will be on the team next year and we will expect great things of him then.

**ROBERT HARRIS**—“Bud.” “Bud” is a Junior who played half back last season. His left handed passing ability was a great asset to the offense of the team.

**PHILIP ACKER**—“The Greek.” Phil was the center this year and no man on the team was a harder hitter. He is only a Junior and should be one of the stars of the team next year.

**PAUL LYTLE**—“Pete.” “Pete” was the full back this year. He was one of the lightest men on the team, but he made up in speed what he lacked in weight. Pete will graduate this year.

PAUL GRAVES—"Jimmy." Graves played a number of positions in the line and substituted at each when Aldrige was out. He came to Anderson from Middletown when he was a Junior and since then has been prominent in athletics. This is Paul's last year.

CHAUNCEY LENNEN—"Chance." "Chance" started the season well but missed the last few games. He played tackle and was a hard hitter.

ORBRA JARRETT—"Organ." Orbra plays either tackle or center with marked ability. He has another year in High School to "show his stuff."

ROBERT MARTZ—"Bob." Bob is a Junior. He played a good game at guard and should land it as a regular position next fall.

CARL STRADER—"Ducky." Strader played most of the time as full back but he was sometimes shifted to the line where he played a remarkable game. He was a fighter and a hard hitter. "Duck" graduates this year.

GEORGE MARSHALL. As Student Manager and a general all-round good fellow, George ranks highly. His faithfulness to the team all during the year deserves much commendation.

## *First Team*

The "Anderson Indians" are known by the basketball fans throughout the state and have won the reputation of always being one of the state tournament calibre. It is the task of the coach to keep and develop a team of this high standard. At the beginning of the season only two veterans were back to form the nucleus of the 1926 squad. Not being daunted by adverse conditions, a fast, hard fighting, defensive team was developed from the practically new material. Although the boys were not as big or heavy as many other teams, their true strength and basketball powers were shown in such basketball classics as the Marion and Kokomo games. In the game here the Staggs men almost defeated the "state champs" losing by the narrow margin of two points. In an equally exciting game at Kokomo, they again lost to the "Wildecats" by only one point. The schedule itself was one of the hardest ever faced by an Anderson team. The question was not how many games were won or lost but rather how the games were played. The coaching policy has been to develop sportsmanship, cooperation, and "real fight," to develop mainly traits, rather than a basketball machine. Thus the season was a success and the scoring creditable.

Anderson was again host to the neighboring teams in the Sectional Tournament. In spite of the "jinx" which still hovered over the Indians and regardless of the defeat by Lapel, the tourney marked a new degree of accomplishment as host.

Only the most favorable comments were heard as to the management of seating arrangements, accommodations for visiting teams, referees, and spirit displayed by both players and spectators, and financial gains.

## *Second Team*

Our Second Team did very well this year winning the majority of the games played. They progressed nicely under the coaching of Mr. Bonge.

The Second Team did not get to enter the Tri-State meet this year at Cincinnati due to financial reasons. They gave all of their opponents a stiff opposition and showed in their games the skillful playing and outstanding teamwork for which our teams are noted.

Although a Second Team takes second place they are one of the very essential cogs in the production of a well balanced and smooth running first team. It is the duty of the Second Team to go through the season bearing the punishment and instill fight and determination into the first squad.

First Team

Second Team

JOE ELLISON—Joe was Anderson's small but mighty player, who seemed to be all over the floor at once. We were not the only ones who regarded him as a fine player because he received favorable comment from all over the state. His unfailing attitude of good sportsmanship won for him the Morsches Spirit Cup and the liking of all his team mates.

CHARLES ROLFS—"Charlie." Charlie, to the regret of all Anderson basket-ball "fans," graduates this year. He played an equally good game at center, floor-guard, or forward. His playing was especially noticeable when he played center, since he was able to out-jump the tallest, and to tip them in from every angle.

ROBERT THOMPSON—"Bob." Bob's playing at back guard was one of the features of Stagg's team this year. The ball always seemed to be in safe hands when in his possession. His wonderful long shots will be remembered.

RICHARD OCKOMAN—"Dick" At the floor guard position, Dick was a hard man to stop. Besides being a dead eye from the foul line, he was good at defense and always held his man to a very few points. He is the only one of the first string men who returns next year.

WILLIS BROWN—"Brownie." He was the big back guard who kept the other team worried during the game. Besides being a good defensive player he was another one who could pile up the score through long shots.

HAROLD CAMPBELL—The “crack” shot of the team was the smallest man on it, thus every one recognized Harold. Although he was always under the handicap of being outweighed by his opponents, he made up in fight and determination to win what he lacked in size.

LOREN RARIDAN—“Curly.” Curly was the student manager of the basketball team this last year. He proved to be a very capable assistant to coaches Staggs and Bonge and was always found ready with his medicine kit in an emergency.

EUGENE LEVL—“Red.” “Red’s” head could always be distinguished shining in the thickest of the fight, being dependable in any crisis. His wit and good humor kept the team in good spirits on out-of-town trips.

JULIUS MATHIAS—Julius was one of the finds of the year and proved himself to be a very capable center or backguard whichever the occasion demanded. Julius was the long boy of the team and only measured about six feet threeinches.

## *Track*

The greatest interest and enthusiasm was manifested this year in the history of Anderson athletics. When the call for track men was given, every available man came out, and Coach Staggs had the satisfaction of working with a fine, large squad. The success of the season has justified this effort put forth by coach and athletes. The great amount of material made it possible to produce a well rounded, well balanced team. There were no great individual stars, but many athletes of first-rate ability who qualified in various fields.

The season was ushered in on April 10th, and closed with the District meet at Elwood, in which Anderson participated; and the State meet at Technical, of Indianapolis.

The students showed their appreciation of the hours spent in training by the team, by loyally supporting them in every way at home and at the out of town meets. They were justly proud of the team.

The Record for the season is as follows:

### DUAL MEETS

Anderson 55 2-5, Richmond 43 3-5.

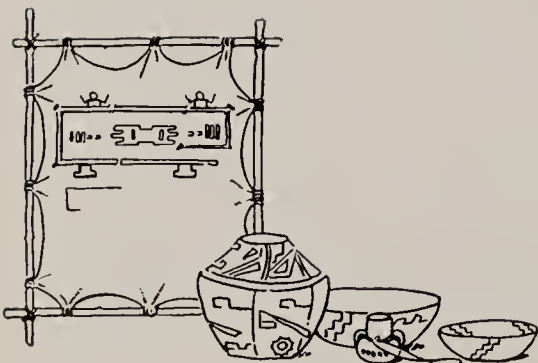

Anderson 79, Newcastle 20.

### COUNTY MEET

Anderson 73, Alexandria 14, Elwood 12.

### TRIANGULAR MEET

Anderson 51 1-3, Fairmount 28 2-3, Marion 19.

A lot of talk about nothing is two flappers discussing what they'll wear to a dance.

Connie—You don't intend to stay out of school next year on my account, do you Tom?"

Tom—No, I intend to stay in school on dad's.

Dumb—"Funny how he is so lucky at cards and then loses his winnings at the race track."

Dumber—"Not very funny. They won't let him shuffle the horses!"

Gunner—Gee, dat's a pretty boird.  
Runner—Dat aint no boid, it's a bird

"Why, he saved the whole regiment before he had been in the army two weeks."

Widow—"That man spelt John's name wrong on his headstone."

Family Friend—"My! That was a grave mistake."

He—"Can you keep a secret?"

She—"Yes, but unfortunately, I always tell it to someone who can't."

Solitus—"What have you been doing for a week back?"

Solicitor—"Applying Sloans twice daily."

Keeping on the hop may be all right, but look at the flea, it soon goes to the dogs.
